HILLSBORO
School District 2026 Bond

HILLSBORO SCHOOL DISTRICT PROPOSED BOND MEASURE

ON THE NOVEMBER 2026 BALLOT

If passed, the Proposed Hillsboro School District Bond would fund projects to **replace failing and aging infrastructure**, **improve safety**, and **update vocational facilities;** secure **state matching funds of $6 million**.

Proposed projects include improvements to every HSD school, with work occurring in these key areas:

SECURE

- Doors
- Locks
- Fencing
- Cameras
- Card Readers
- Fire Panels
- Phone Systems
- Building Automation
- ADA Updates

REPAIR

- Roofing Improvements
- Seismic
- Flooring
- HVAC
- Lighting
- Plumbing
- Playgrounds
- Kitchen Remodels
- Bus Replacement
- Facilities Fleet

PREPARE

- Advanced Computing CTE Labs
- CTE/CCP classroom renovations
- Auditorium upgrades
- Athletic facility improvements (gym bleachers, fields, tennis courts, track resurfacing, baseball/softball facilities)
- Student and staff computers
- Classroom technology
- A/V equipment in gyms, cafeterias, libraries

The proposed $430 million bond, if passed, is estimated to result in a bond levy rate of $1.84 per $1,000 of assessed value, which is lower than average rate voters have paid since 2018. If the proposed measure does not pass, projects outlined would not be completed.

Proposed projects include improvements to every HSD school, with work occurring in these key areas:

SECURE

- Doors
- Locks
- Fencing
- Cameras
- Card Readers
- Fire Panels
- Phone Systems
- Building Automation
- ADA Updates

REPAIR

- Roofing Improvements
- Seismic
- Flooring
- HVAC
- Lighting
- Plumbing
- Playgrounds
- Kitchen Remodels
- Bus Replacement
- Facilities Fleet

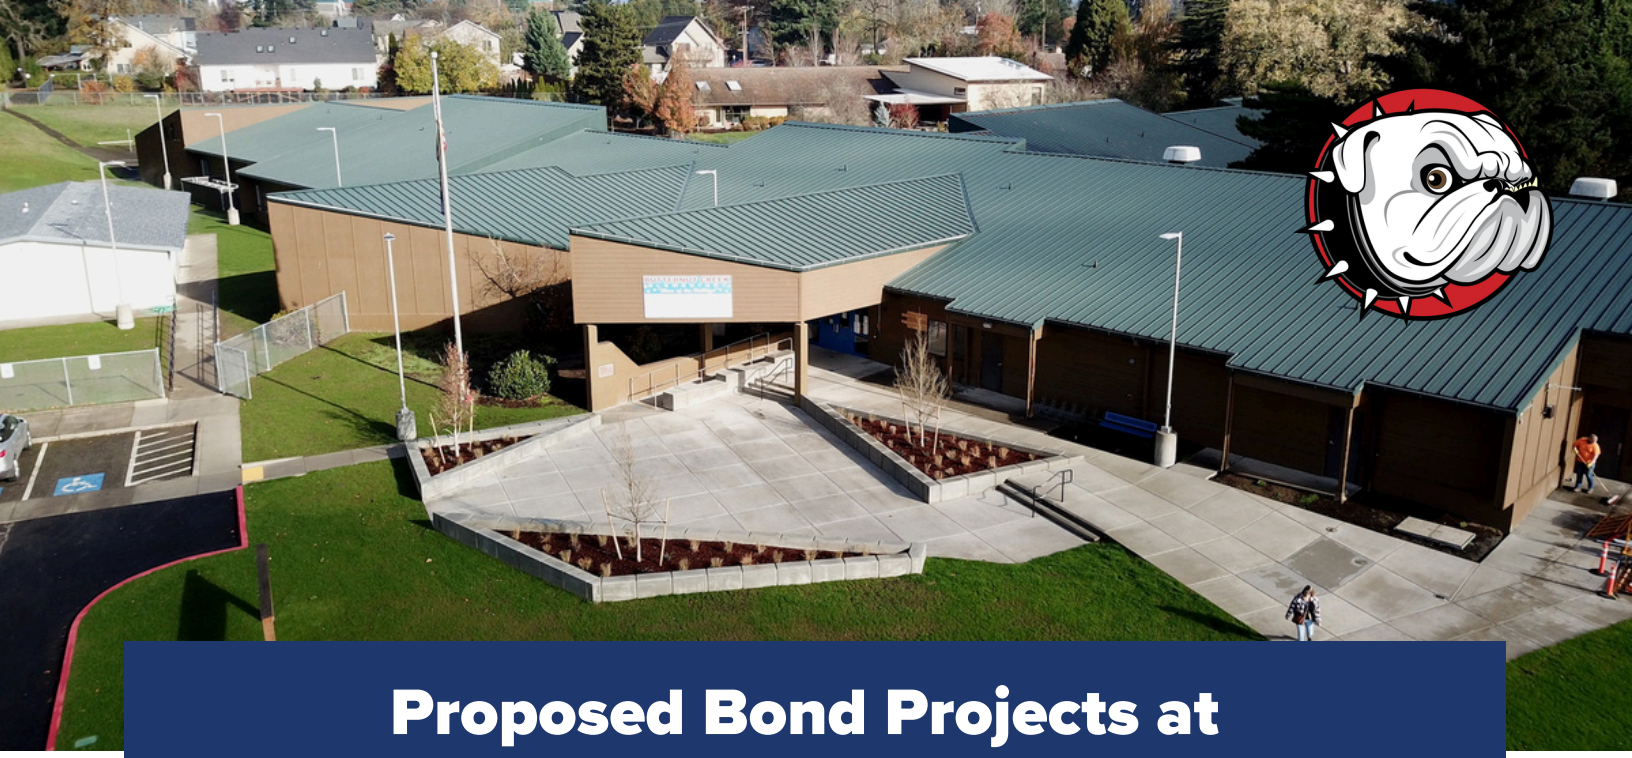

PREPARE

- Advanced Computing CTE Labs
- CTE/CCP classroom renovations
- Auditorium upgrades
- Athletic facility improvements (gym bleachers, fields, tennis courts, track resurfacing, baseball/softball facilities)
- Student and staff computers
- Classroom technology
- A/V equipment in gyms, cafeterias, libraries

The proposed $430 million bond, if passed, is estimated to result in a bond levy rate of $1.84 per $1,000 of assessed value, which is lower than average rate voters have paid since 2018. If the proposed measure does not pass, projects outlined would not be completed.
