JOURNALISM PATHWAY
Arts, Design, & Communications

Our MISSION
Educating all learners for tomorrow's world.

Pathway Experience
The Academy of Design, Arts, and Communication offers pathways in marketing, business management, graphic design, and journalism. Learners in this academy have many opportunities to gain real world experience in their classes through simulations, job shadows, and a capstone experience. Learners may earn dual credit or industry certifications to prepare them for college or careers.

Student Leadership and Career and Technical Student Organization(s) – TSA, and Yearbook, Newspaper & Broadcasting

The Technology Student Association is a career and technical education co-curricular student organization created to develop skills in science, technology, engineering, and mathematics. TSA aims to develop leadership, academic, and business skills that transition to the workplace and within the community. Newspaper, Yearbook, and Broadcasting clubs combine technical and academic schools to promote school level events and develop leadership.
