Budget Update (Jarod)

10 MINUTES

Were department budgets cut this year, including IB? If so, by how much and why?

Also, a funding comparison between performing arts and athletics would be helpful, including any outside funds received for athletics such as Nike. According to the band boosters, a fundraising match was promised that didn't happen. Performing arts programs earn academic credit and are part of the district's curriculum — athletic programs are extracurricular. That distinction matters when looking at how funds are allocated.
