THE COMMUNITY

Freeman High School is located approximately 40 miles west of downtown Houston. Freeman High School is Katy Independent School District's tenth high school. Freeman HS opened in August of 2024. The school has a diverse student population with families moving in from out of district or out of state. The student body is representative of all socioeconomic levels.

Freeman High School faculty and staff are committed to creating a positive atmosphere that empowers students to develop strong character, achieve excellence, serve the community, and become life-long learners. Parents, community members, and business partners play pivotal roles.

SCHOOL FACTS

Freeman High School is a public, four-year secondary school with an enrollment of 2,416 students in grades 9 - 12. The Freeman High School faculty is composed of 250 teachers and staff. The school day consists of seven class periods that meet five days a week. Each class period is approximately 45 minutes in length. The school year is divided into two semesters with three six-week marking periods in each semester.

CLASS RANK

KISD uses a weighted 4.0 grading scale. Class Rank is based on a cumulative grade point average for grades 9-12, plus high school courses taken in junior high and credits earned via preapproved Katy ISD provider(s). Students are officially ranked for the first time after the fifth semester in high school.

Katy ISD only ranks the top 10% of the senior class. Quartile will only be populated on transcripts for students who are in the 1st, 2nd or 3rd quartile. Quartile will not show for students in the 4th quartile or students new to Katy ISD. A full year, one period course consisting of two semesters is equivalent to one credit.

Total	22	26

*All students must earn a communication skills component from one of the following as an elective credit: Professional Communications, Leadworthy, Theatre Arts, Theatre Productions, Debate, Oral Interpretation, Professional Standards in Agribusiness or AP Seminar.

Endorsements available:

STEM, Business & Industry, Public Services, Arts & Humanities, Multidisciplinary Studies, and Distinguished Level of Achievement.

DISTINGUISHED LEVEL OF ACHIEVEMENT

A student may earn a distinguished level of achievement by successfully completing all curriculum requirements for the Foundation High School Program, plus each of the following:

- A fourth credit in mathematics, which must include Algebra II;
- A fourth credit in science;
- The requirements of at least one endorsement.

A student must graduate with a Distinguished Level of Achievement to be considered for the Top 10% and eligible for automatic admission to a Texas public college or university.

PERFORMANCE ACKNOWLEDGEMENTS

A student may earn a performance acknowledgement in one or more of the following categories:

- AP test score of 3 or above;
- IB test score of 4 or above (applies to transfer students only as the International Baccalaureate program is not offered in Katy ISD);
- Outstanding performance on the PSAT, SAT or ACT;
- Completion of at least 12 hours college coursework with final grades of A or B (3.0 GPA or above);
- Bilingualism and biliteracy; and
- Earning a state, nationally or internationally recognized business or industry certification or license.
