

Curriculum and Instruction Subcommittee Special Meeting
September 11, 2026
Suffield Middle School Room C120

Attendees: Superintendent Dunbar, Assistant Superintendent Norbut, Maureen Sattan, Melissa Finnigan, Greg Sparzo, Brian Fry and Gianna Rossi

Call to Order at 8:33 a.m.

Building Thinking Classrooms:

Ms. Norbut presented the group with some historical data on math from grades 3-8 that they are reviewing for the upcoming school year. She also clarified that in our current curriculum they are creating one lesson a unit of study (8 units of study in total) to correlate with Bridges in K-5 using the Building Thinking Classroom model and they will have more data to present later in the year on whether the impact is positive in the classroom.

Summer 2026 Curriculum Writing:

Ms. Norbut presented the group with the list of curriculum writing that was able to be completed over the summer. The total amount spent on the teachers' hours was approximately \$26,000. She will be presenting us with what will need to be completed going forward.

Meeting adjourned at 9:34 a.m.
