Welcome, Lions Families!

A message from our Principal, Frank Ramirez:

What a great start to the school year at Auburn Mountainview! Our hallways are full of energy, our classrooms are buzzing with learning, and it has been exciting to welcome our students back to school. We are off to a great start, and I am grateful for the support of our families as we begin another year together.

As we settle into our routines, we will be placing a little more focus on two things that make a big difference in student success: attendance and being on time to class. Every minute of learning matters, and we want our students to be in class, ready to learn, and making the most of each day.

We will also begin consistently enforcing the Auburn School District's personal electronic device policy, which requires students to keep cell phones and other personal electronic devices out of use during class time. Our goal is not simply to take phones away—it is to help students stay focused, connected to their learning, and engaged with the people around them.

Thank you for partnering with us and reinforcing these expectations at home. Together, we can make every day a great day at Auburn Mountainview.

Go Lions!

Friendly Reminders

- Deliveries from services like DoorDash, UberEats, or other delivery platforms are not permitted. Any delivered items will either be returned to the driver or discarded.
- We enforce a no-phone policy in all classrooms. Please keep your phone put away during class time.
- The parking lots, the bus loading zone, athletic fields, and the front of the school are off-limits during the school day unless students have received prior permission from the administration.

Strong Schools Build Strong Communities

The ASD Board of Directors has set a bond measure for the community to consider on November 3. If passed, it will build the district's fifth middle school on district property on Sumner-Tapps Highway E., build a new Cascade Middle School on ASD property on I St. NE and 40th St. NE, and build a new Alpac Elementary School on its current site.

A new and rebuilt middle school will help address overcrowding at all of the middle schools. More than 1,100 middle school students currently attend classes in 46 portables across the four middle schools.

Cascade is 59 years old, and Alpac is 54 years old. Passage will increase safety and security, provide modern learning facilities and update playground and athletic fields for school and community use.

The average cost if the bond is approved is \$1.10 per \$1,000 of assessed valuation. The public is invited to attend a community open house to visit the schools in-person. We will have staff available to answer questions and provide a tour of the building.

Cascade Middle School Community Open House- September 17, 6-7 p.m. 1015 24th ST NE, Auburn

Alpac Elementary Community Open House-September 23, 6-7 p.m. 310 Milwaukee Blvd North, Pacific

Sports Schedules

Career Center

Spirit Week!

ASB is hosting a Welcome Back Spirit Week! We hope that you'll dress up to celebrate with us! 😊

We will also be selling a very limited quantity of Gold Out T-shirts for Thursday's Gold Out Game, in support of Childhood Cancer. They will be \$10 and sold at the Bookkeeper's Office. All proceeds benefit Colin's Fight for Change Guild this year. We will be selling yellow sunglasses on Wednesday and Thursday as well during lunch and MAYBE before the game inside the stadium if we have any left for \$5 each.
