Mission

Nazareth Academy High School is a Catholic, private, fully-accredited college preparatory school for young women, sponsored by the Sisters of the Holy Family of Nazareth.

Embracing faith, family, and education, we challenge each student to attain her full potential academically, spiritually, and personally. While focusing on service to God and community, Nazareth Academy High School provides a rigorous academic curriculum and varied extracurricular activities that inspire each student to achieve academic excellence and become a lifelong learner in a global society.

Dear Future Nazareth Academy Students and Families,

For almost 100 years, Nazareth Academy has supported young women as they reach their full potential and prepare for success after graduation. We are a college-preparatory high school and the only all-girl Catholic private high school in Philadelphia.

Beyond our rigorous academics, our students thrive in the fine and performing arts and athletics, and they are deeply committed to serving the community. They live out the values of our founders, the Sisters of the Holy Family of Nazareth—faithful listening, loving relationships, and recognizing God in everyday moments—while creating lasting memories with one another.

We invite you to discover what makes Nazareth so special and why our students say they "love our school a million."

Regards,

Founded in Faith, Rooted in Tradition, Driven by Service

Our cherished Nazareth traditions are reminders that our school community is rooted in the beliefs of the Sisters of the Holy Family of Nazareth. We believe that true leaders are motivated by service to self and others.

Through prayer, reflection, retreats, liturgies, and community service, Nazareth students grow spiritually and personally while putting their faith into action. With more than 10,000 hours of service each year, our students discover the lasting impact of compassion, kindness, and serving others.

Embracing Family

At Nazareth, family is at the heart of our community, extending beyond our students to include parents, grandparents, alumnae, faculty, staff, and friends who share in the Nazareth experience. Throughout the school year, we create meaningful opportunities to bring our entire community together, strengthen connections, and celebrate the spirit of family that makes Nazareth special.

The Legacy Lives On. ***Nearly one in four*** incoming freshmen has a mother who once walked Nazareth's halls—a testament to a Sisterhood that spans generations. The friendships, traditions, and confidence found at Nazareth are cherished experiences alumnae hope to pass on to their daughters.

"The Nazareth Sisterhood is something you experience every day the moment you walk through the doors. Whether someone holds the door open for you, smiles in the hallway, gives you a compliment, or is simply there for you through life's ups and downs, you quickly realize that Nazareth becomes more than just a school, it becomes a family. That is what the Nazareth Sisterhood means to me, a lifelong family built on love, support, and genuine connection."

Music, Theater Arts, Visual Arts

Visual and musical arts, from paint to clay, from graphite to pixels, from choral harmonies to musical ensembles, can take many forms. At Nazareth, we give our students the opportunity to explore their own creativity by exposing them to as many mediums as possible and allowing them to become proficient in what they love.

Music and Art are co-curricular subjects which offer students an opportunity to customize their schedule to major or minor in these programs.
