Technology Usage - Students

A Review of the Acceptable Use Policy and 1:1 Contract Agreement

1:1 Devices are to be used for educational purposes

As stated in the APSB Student/Parent One to One Contract, “I understand that this access is designed for educational purposes...Remember, using the school computers and the school network is a privilege, not a right. Failure to comply with the procedures stated in the contract may result in your being denied access to the computers and possible further consequences.”

"The purpose of the Ascension Parish school board's technology resources is to enhance student learning by providing students with the latest tools to make learning relevant..."

The school board retains the right to monitor all computer usage and files..."

Tip

Your device and account are monitored.

A few Rules taken from the APSB Acceptable Use Policy:

(If you have a chromebook,you and your parents signed the contracts for this. A copy is available on our school website.)

LANGUAGE

“Threatening, profane, harassing, or abusive language shall be forbidden.”

This kind of language is an offense.

Offenses using E-mail

- "Student E-Mail accounts shall not be considered private and will be monitored by district personnel."

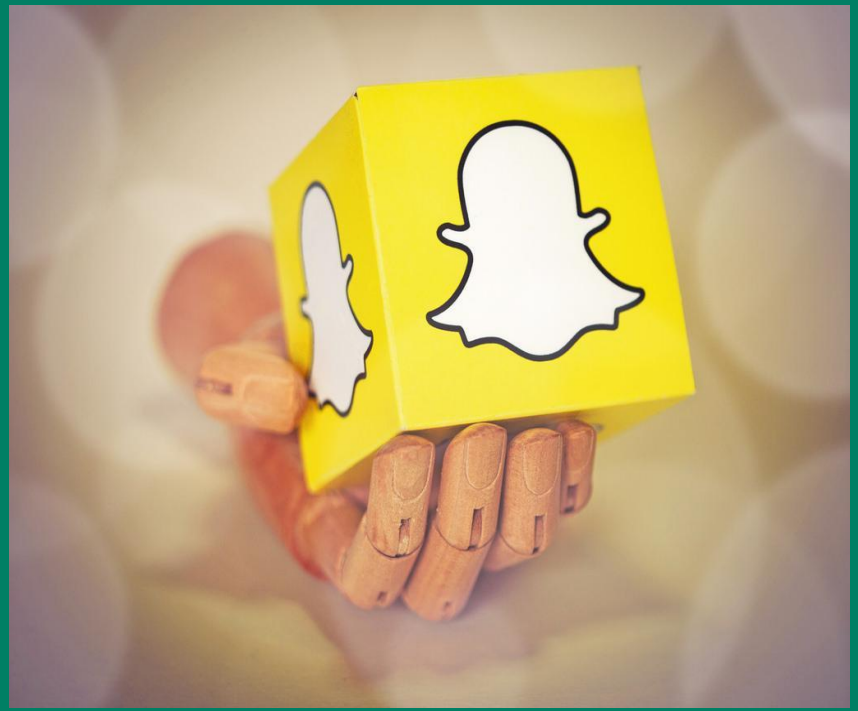

Unacceptable Email Content:

-inappropriate language/profanity
-bullying
-threats/violence (even as a "joke")
-inappropriate images/videos
-cheating
-etc.....

CHATTING

“Two-way, real-time electronic communication technologies such as Internet-based instant messaging and Internet chat shall not be allowed within the District during the school day.”

This includes texting and is considered an offense-- *Teachers should send student with device to Mrs. Town with a note.*

PRIVACY

“Invading the privacy of another user, using another’s account, posting personal messages without the author’s consent, and sending or posting anonymous messages shall be forbidden.”

Doing this is considered an offense.

"Use of the internet is a privilege, and any inappropriate use may result in disciplinary action and loss of privileges to use the internet. Disciplinary action may include, but is not limited to, loss of computer use, monetary reimbursement, suspension, detention, or expulsion. This policy applies to all students."

FORBIDDEN ACTIONS

- “Accessing **pornographic** materials or using or sending profanity in messages is forbidden.”
- Inappropriate games, music, or videos, whether at school or at home--location doesn’t matter
- More than one or two games on your device
- Playing games during class without permission from teacher
- Listening to music/watching videos without permission from teacher

Students who misuse their chromebooks or abuse internet privileges will be given consequences. Repeat offenders will have more serious consequences.

Games may be removed from devices at any time and must be limited to one or two appropriate games on a student's device.

Student emails and technology usage is monitored 24 hours a day - every day.

DEVICE OFFENSES

- Deliberate defacing/vandalism of Chromebook, including removing stickers, marking on keyboard, screen, case, etc. (You will have to pay for this at the end of the year!)
- Damage to Chromebook due to neglect by you or others (relatives, friends, etc.). YOU will be held responsible for any cracked screens, broken cases, etc.
- Damaging another's Chromebook (throwing booksacks, etc.)
- Connecting another device to your Chromebook (phone, etc.)

IF YOUR CHROMEBOOK IS TAKEN, YOU MAY OR MAY NOT RECEIVE A LOANER!

IF YOU GET A LOANER--You will pick it up in the morning and drop it off at the library at the end of the day. Failure to return the loaner will result in loss of loaner privileges.

IF YOU DON'T GET A LOANER, THERE ARE OTHER OPTIONS

1. **Work in the library on a computer during class**
2. **Complete work using paper and pencil**
3. **At home, you may always use your own device to access your Google Drive account for classwork.**
