Financial Aid Made Simple

5 Steps to Financial Aid

Basic Principles, Federal Aid

- Paying is the joint responsibility of the student and parents, to the extent possible.
- Need-based financial aid is subject to a federal formula to determine financial aid.
- Not all families qualify for need-based aid. There is no guarantee that you will get any free money to pay for higher education.

What Is Financial Aid?

Financial aid consists of funds provided to students and families to **help** pay for postsecondary educational expenses.

The screenshot shows the FAFSA 2026-27 interface for Student Alex Tran. At the top, the FAFSA logo is followed by 'FORM 2026-27' and the student's name. A progress bar indicates the current step is 'Contributor Invite' (step 5), with previous steps (Personal Circumstances, Demographics, Financials, Colleges) marked as complete and the next step (Signature) marked as pending. The main heading is 'Invite a Parent as a Contributor'. Below this, a text box explains that a contributor is a legal parent (biological or adoptive) and that stepparents and guardians do not count unless legally adopted. To the right is an illustration of a man and a woman, with the man standing and the woman sitting at a desk with a laptop. At the bottom, there is a question 'Who counts as a parent on the FAFSA form?' followed by a text input field. Navigation buttons for 'Previous' and 'Continue' are at the bottom.

- do not owe money to repay it.
- will notify your school if you receive a federal student loan.
- will not receive a federal student loan if you are in default on a federal student loan.

By signing this application electronically using your StudentAid.gov account username and password, you certify that you understand the terms and conditions of the FAFSA[®] form and filled out the form accurately to the best of your ability.

- On this page, the student acknowledges the terms and conditions of the FAFSA[®] form and signs their section. After agreeing and signing, the student is able to submit their section of the FAFSA form.

Since parent information has not been provided, the FAFSA form is not considered complete and can't be processed yet.

FAFSA Confirmation

Upon submitting the student's FAFSA® form, the parent is presented an abbreviated confirmation page. This page displays information about tracking the student's FAFSA form and next steps. The student will receive an email with the full, detailed confirmation. With the student and parent sections completed and signed, the FAFSA form is now considered complete and submitted for processing.

The screenshot displays the FAFSA confirmation page for the 2026-27 tax year. At the top, it says "FAFSA 2026-27" and "Parent of Alex Tran". A banner in the center reads "Congratulations, the FAFSA Form is Complete!". Below this, the student's name "Alex Tran" is shown, along with the completion date "07/17/2025". The page is divided into two main sections: "What Happens Next" and "Track and Manage the Student's FAFSA Form".

What Happens Next

- Email Sent**
Confirm that the student received an email version of this page.
- The Student Can Track the Status of Their Form**
In one to three days, the student's FAFSA form will be processed and made available to their schools.
- The Student Will Receive School Communications**
We use the information collected on the student's FAFSA form to calculate their Student Aid Index (SAI). The SAI lets schools determine how much aid the student is eligible to receive. Schools will reach out to the student if they need more information. They will also contact the student with financial aid offers. Once received, the student can contact their financial aid offices directly to ask questions about their student aid packages.

Track and Manage the Student's FAFSA Form
You can check the status of the student's application in the "My Activity" section of your account Dashboard. We will let you know if we need anything more from you.

Calculating Financial Need

- Schools and colleges receive FAFSA information and calculate financial need
- Financial Aid Office (FAO) “packages” student based on financial need and available funding (varies from school to school)
- Financial aid notification sent to student

A photograph of a light blue surface with several pencils. Handwritten in grey marker is the formula for calculating financial need: COA minus SAI minus OFA equals NEED.
$$\begin{array}{l} \text{COA} \\ - \text{SAI} \\ - \text{OFA} \\ = \text{NEED} \end{array}$$

What School Costs Are Considered?

A school's cost of attendance includes:

- Tuition and fees
- Housing and food
- Books, course materials, supplies, and equipment
- Transportation
- Personal expenses

How is the SAI Calculated?

- Primarily income-driven
- Major factors for dependent student:
 - Parental & student—
income and assets
 - Family size

A student's SAI remains the same no matter which school the student attends.
