Parent/Guardian, please review and acknowledge the following:

_____ Transportation is not provided to/from the student's primary residence. Students may be transported to/from a state recognized childcare provider, parent, or grandparent responsible for providing before and after school care if there is a district-approved stop on a district-approved route serving the transfer campus. An agreement to provide prompt and regular transportation to and from school for the student is a required pre-condition to approval for a transfer.

_____ Transfer students in grades 9-12 are ineligible to participate in varsity athletics for one year from the first day of attendance at the transfer campus.

_____ Approved transfers end upon withdrawal. If your student withdraws and later re-enrolls in Cypress-Fairbanks ISD, they will need to re-apply for a transfer to attend a non-zoned campus.

_____ Future requests for siblings to attend the same transfer campus are dependent on the open/closed status for a specific school year.
