MEVA Mission and Vision

School Mission:

Maine Virtual Academy's (MEVA) mission is to develop **each** student's full potential with learner-centered instruction, research-based curriculum and educational tools and resources to provide a high-quality learning experience for grade 7-12 students who are in need of **alternative educational options**. MEVA will develop an **Individualized Learning Plan (ILP)** with specific learning goals to meet each student's needs. MEVA's rigorous curriculum is **aligned** to the eight Maine content areas, the **Maine Learning Results, the Common Core State Standards and the Next Generation Science Standards**.

School Vision:

MEVA will be a leading 21st century public charter school in Maine and will improve student learning outcomes **through individualized instruction**, as evidenced by **student academic proficiency, student academic growth, post-secondary readiness, and the demonstration of 21st century skills such as critical thinking, problem solving, and self-direction**. MEVA will empower students to acquire the academic and life skills needed to succeed in **post-secondary education and career opportunities**. Our graduates will be **prepared** for college or other postsecondary career training opportunities
