WHAT IS A SCHOOL-PARENT COMPACT?

A school-parent compact is a written agreement that explains how teachers, families, and students will work together to help your child reach grade-level academic standards. This document shares all key elements of our schools' compact that will help each of us to ensure we have a successful school year.

JOINTLY DEVELOPED WITH PARENTS/GUARDIANS

Families play a crucial role in shaping the School Compact to ensure it reflects the needs and priorities of students and the school community. The involvement process typically includes the following:
