Dedicated to Educational Excellence

To the Parent/Guardian of: _____ Grade: _____

The School Health Law of Pennsylvania requires all children entering Kindergarten, 6th Grade and 11th Grade to have a physical examination completed. The district also requires a physical exam for all transfer students who have no record of a previous physical examination.

****** Any physical examination completed since September 1, of the previous school year may be used to meet the state requirement. Any recent examination completed for driver's permit, summer camp, or a well checkup is also acceptable.

We encourage you to have this examination completed by your Family Medical Provider. Please have a private provider's report completed and returned to the School Nurse as soon as possible.

You may also choose to have this examination completed by the school medical provider. Please sign and return the lower portion of this form to the School Nurse, if you would like your child to be seen by the school physician.
