

Frequently asked Questions

How much is the digital voucher?

The maximum amount is \$1,500 per student.

What can the digital voucher be used on?

The voucher can be used to purchase high-quality literacy and math tutoring. Tutors must be approved by the Louisiana Department of Education.

How do I know if my child is eligible?

The program is available to K-12 grade students who are below reading and math proficiency. Eligibility is determined by the state assessment testing scores.

Can I qualify for the grant if my child doesn't live in Louisiana?

The program is open to Louisiana residents only.

Where can I locate my child's 10-digit Louisiana Student ID number?

You may obtain your student's ID information from the school the child attends.

I cannot find my tutor on the list?

Only tutors on the list are eligible to participate in this program.

Can I go to a different tutor for each session?

Yes.

Will the money be sent to me?

All funding will be sent directly to the tutor.

What if tutoring costs more than \$1500 for my student?

The maximum amount of the grant is \$1500 per student, If you spend more than \$1500 per student, you will be responsible for paying the difference.

How do I become an approved tutor provider?

Requests to be a tutor should be directed to tutoring@la.gov. Please note in order to become an approved tutor, you must have a Tax ID. If you do not have a tax ID, you should contact an approved tutor provider for employment.
