Photo Guidelines – 300 dpi, .jpeg or .png

Headshot

This picture replaces your school pictures and should be formatted similarly.

- Vertical photo.
- Focus on your face.
- **At least** waist up pose
- **No full body shots.**
- No hands covering face.
- NO props (this includes animals, **hats**, cars, sunglasses, musical instruments, or other people).
- Backgrounds (trees, rocks, columns, etc.) should not block the view of the student.

Retrospect

Let your personality shine. You can use props, wear a hat, etc.

- Vertical or horizontal
- Must be school appropriate. This includes props.
- No selfies or filters

Bear in mind that this photo will barely be 1-1.5 inches tall/wide.

If your photos are not received on time, do not meet the guidelines, or are deemed inappropriate, you will not be pictured.

Tips

- Don't take your pictures using a cell phone.
- **Give this to your photographer!**
- Submit your photos early. If there is a problem, we have time to get another picture.
- Don't crop the photo. Have our staff or your photographer crop it to ensure quality is not degraded.

I know the deadline seems early, but we need the time to put everything together.
