Postsecondary Readiness

2026-2027 Campus Improvement Plan

Goals

Goal 1 Student Achievement Goal - Increase percentage of students earning "Meets Grade Level" on all STAAR by 7%.

Performance Objective 1

By May 2027, increase the number of students achieving at the Meets Grade Level STAAR Reading from 33% to 40%, STAAR Math from 14% to 17%, STAAR Biology from 46% to 52% STAAR US History from 51% to 60% ** Accelerated math goal

Performance Objective 2

Following each CBA, use the Academic Growth Summary to ensure students are progressing towards an increase of at least one performance level.

Performance Objective 3

By May 2027, implement a campus-wide standardized formative assessment system in which CBPL teams consistently administer common formative assessments aligned to identified priority standards and utilize timely student performance data to inform instructional response and improve student achievement.

Performance Objective 4

By May 2027, increase the percentage of students scoring a 4 or above on STAAR ECR (Reading) by 10 percentage points.

Goal 2

Increase the percentage of students meeting annual growth on STAAR Reading, STAAR Math, and Accelerated Testing, resulting in overall growth in Domain 2A.

Performance Objective 1

By May 2027, increase the number of students meeting annual growth on STAAR Reading from 56% to 62%

Performance Objective 2

By May 2027, increase the number of students meeting annual growth on STAAR Math and Accelerated tests by 10 percentage points.

Performance Objective 3

By May 2027, 85% of classrooms will demonstrate consistent implementation of structured opportunities for students to talk, write, and respond to rigorous questions using academic language, as measured through campus walkthrough data.

Performance Objective 4

By May 2027, reduce teacher retention by 3% by supporting teachers with professional development aligned to the campus framework.

Goal 3 By May 2027, increase the Domain 3 Accountability Scale Score (Closing the Gaps) by 9 points.

Performance Objective 1

By May 2027, 50% of Year 6 Emergent Bilingual (EB) students with an Intermediate TELPAS Composite Rating will progress to an Advanced Composite Rating.

Performance Objective 2

By May 2027, increase the TELPAS Composite Rating by at least one proficiency level for students in Years 3-5 in U.S. schools.

Performance Objective 3

By May 2027, increase the percentage of 9th-11th grade students by 10% students that are college and career ready through identified CCMR indicators and/or progress toward CCMR readiness.

Performance Objective 4

By May 2027, reduce chronic absenteeism by 10%.
