

Bastrop Independent School District

Cedar Creek Middle

Accountability Rating: C

2026-2027 Campus Improvement Plan

Goals

Goal 1

Student Achievement Goal: By May 2027, we will increase the Domain I STAAR component score from a 55 to 70 (From F to C) by increasing achievement at Meets Grade Level from 23% to 30%.

Performance Objective 1 High Priority

Increase the percentage of Approaches on Social Studies STAAR from 25% to 40% and Science from 42% to 50%.

Evaluation Data Source: Monthly evaluations of students work samples (SCRs), CBAs, Benchmark data, 2026 STAAR Accountability Data

Performance Objective 2 High Priority

By May 2027 increase the percentage of Meets and Masters in all tested subjects by 7%.

Evaluation Data Source: Master Schedule, Benchmark Data, 2026 STAAR Accountability Data

Goal 2

Student Growth Goal: By May 2027, we will increase the Domain II-A STAAR component score from a 75 to 80 (From C to B).

Performance Objective 1

By May 2027, at least 50% of students receiving targeted accelerated instruction will demonstrate academic growth by earning 1 point or more on the STAAR progress measure in both Math and Reading.

Evaluation Data Source: MOCK STAAR and STAAR results

Performance Objective 2

By May 2027 70% of students will see growth in reading and math NWEA MAP data.

Evaluation Data Source: Student data trackers

Goal 3

Closing the Gaps Goal: By May 2027, we will increase the Domain III STAAR component score from a 74 to 80. (From C to B).

Performance Objective 1

By May 2027, CCMS will increase student achievement for High Focus students from 30 to 33 for RLA to meet the interim target and 22 to 36 for Math.

Evaluation Data Source: CBA, Unit assessments, benchmarks

Performance Objective 2

By May 2027, CCMS will increase EL Proficiency for our Emergent Bilingual students on TELPAS from a 25 to a 30.

Evaluation Data Source: TELPAS results, Summit K12 reports

Performance Objective 3

By May 2027, CCMS will increase its student attendance rate from 93% to 94% or higher as measured by district attendance reports.

Evaluation Data Source: Weekly attendance reports and Dashboard
