

Bastrop Independent School District

2026-2027 District Improvement Plan

Goals

Goal 1

By August 2028, Bastrop ISD will increase the Student Achievement domain score from 72 to 80, resulting in a B rating for the District.

Annual benchmarks:

Increase from 72 to 75 by the end of the 2026-2027 school year

Increase from 75 to 80 by the end of the 2027-2028 school year

Performance Objective 1

By March 2027, MAP and mid-year assessment results will show that students in grades 3-5 are on track to meet or exceed Domain 1 STAAR targets: a component score of at least 38 in reading, 33 in math, and 30 in science.

Evaluation Data Source: MOY MAP for 3rd-5th math & reading. Mid-year assessment for 5th science.

Performance Objective 2

By March 2027, mid-year assessment results will show that students in grades 6-8 and End-of-course exams are on track to improve Domain 1 STAAR performance by 4 points.

Evaluation Data Source: Pre-Assessment, CBA, and Mock data.

Performance Objective 3

By June 2027, the district will meet or exceed a CCMR rating of 80%.

Evaluation Data Source: IBC/CTE Completer status; Dual credit and OnRamps completion, TSIA2/SAT/ACT/AP qualifying scores

Goal 2

By August 2028, Bastrop ISD will increase the School Progress (Student Growth) domain score from 69 to 75.

Annual benchmarks:

Increase from 69 to 72 by the end of the 2026-2027 school year

Increase from 72 to 75 by the end of the 2027-2028 school year

Performance Objective 1

By May 2027, the percentage of K-8 students meeting or exceeding their personalized NWEA MAP growth projections from the beginning to the end of the year assessment will increase to 55% in Reading (from 48% in 2026) and 55% in Math (from 52% in 2026).

Evaluation Data Source: NWEA MAP data, Meeting agendas

Performance Objective 2

By May of 2027, 70% of classrooms will leverage blended and personalized learning strategies (including small group instruction, student data-tracking and goal-setting, student choice, and peer collaboration) as measured using the district walkthrough tool.

Evaluation Data Source: Campus Walkthrough Tool Data

Performance Objective 3

By May 2027, Curriculum Based Professional Learning teams will explicitly plan for and internalize differentiated co-teaching methods and accommodations as evidenced by classroom walks 60% of the time.

Performance Objective 4

By May 2027, identified students at Tier 3 and Tier 4 elementary campuses will increase their STAAR scores by at least 3 points through high impact tutoring and parental engagement efforts.

Evaluation Data Source: 2026 and 2027 STAAR scores and BOY, MOY assessments

Goal 3

By August 2028, Bastrop ISD will increase the Closing the Gaps domain score from 71 to 79.
Annual benchmarks:
Increase from 71 to 75 by the end of the 2026-2027 school year
Increase from 75 to 79 by the end of the 2027-2028 school year

Performance Objective 1

By August 2028, 100% of Bastrop ISD campuses will earn 3 or 4 points in the Domain 3 English Language Proficiency (TELPAS Progress/TELPAS Composite Growth) category, achieving the following campus distributions:

2026-2027: 6 campuses earning 4 points, 4 campuses earning 3 points, and 6 campuses earning 2 points.
2027-2028: 10 campuses earning 4 points, 7* campuses earning 3 points, and 0 campuses earning 2 or fewer points.

*ES #10 opens in August 2027.

Performance Objective 2

Increase student enrollment and participation in extracurricular programs and activities by at least 5% districtwide, as measured by course enrollment and student participation in performances, exhibitions, competitions, and other opportunities.

Evaluation Data Source: Course enrollment and course-request data; program rosters; UIL Music and Theatre participation; VASE/Jr. VASE participation; performance and exhibition participation; campus, district, and calendars; and year-to-year participation trends.

Performance Objective 3

By May 2027, increase overall district attendance from 93.29% to 95%

Evaluation Data Source: Attendance Data Reports

Performance Objective 4

By May 2026, BISD will reduce our teacher turnover rate from 17% to 15%.

Evaluation Data Source: Human Resources and Texas Performance Reporting System (TPRS) retention data
