Hello parents,

We will be having a fun-filled day for our Kinder students this Friday. We begin with show and tell in the morning. Then we will be going to Urban Park at 9:45 to participate in the FUNDrun. Lastly, when we get back to our class, we will begin the Apple Celebration. There are still slots for parents to volunteer some items for our event. Please consider helping make this be an exciting event.

Thank you and I hope you have had a great weekend.
