October 12th - No School

## Teacher Note

It has been a great week here in 2nd grade! The kids have been working hard and giving it their best.

This week we took the IStation Math test on the computer. All the kids did well, worked out their answers, and did the best they could.

Next week we will have 2 tests, as we are wrapping up our math and Knowledge units. The math test will be Tuesday, and Knowledge will be Wednesday. The days before both of these we will have a review day to go over the informaitno in the topics we are finishing, and answer any last minute questions.

Friday the 25th is our FundRun! This is always a fun day, and families are welcome to join us during our time slot at Urban Park! Please be sure to send a water bottle for your student that day! Also, please help us get to our fundraising goal of $20,000. As of today, we have reached 33% of our goal as a school!

I hope everyone has a wonderful weekend!
