Dear Plainville Families,

It is an honor and a privilege to join the Plainville Public Schools as the new Director of Student Services. I am excited to become part of this wonderful community and to begin building strong relationships with our students, families, and staff.

I believe that the most successful educational experiences are built on collaboration, trust, and open communication. Families are an essential part of every child's educational journey, and I look forward to working alongside you to ensure that every student feels supported, valued, and empowered to reach their fullest potential.

As Director of Student Services, my goal is to be a resource for you. Whether you have questions about special education services, student supports, available resources, or simply need guidance in navigating the process, I want you to know that I am here to listen, support, and provide the information you need. I value open and honest communication and am committed to working collaboratively with families to achieve positive outcomes for all students.

I look forward to getting to know you and your children in the coming months and to learning more about the strengths that make the Plainville community so special. Thank you for welcoming me into your school community. I am grateful for the opportunity to partner with you in supporting the success and well-being of every student.

Warm regards,

Candace Andrade

Director of Student Services

Plainville Public Schools
