SEPTEMBER 20

Message from Mr. Hamm

Dear Panther Families,

Week #7:

- **I truly enjoy our dress-up weeks and spirit days. The ASB did an outstanding job promoting our spirit days for "YOU MATTER WEEK." This initiative energizes our campus and keeps our students engaged. We organized several lunchtime activities, and the participation from our students was fantastic. While we focus on the 4 C's (Connections, Collaboration, Consistency, & Communication) this year, we want our students to build and work on personal responsibility. It is up to them to write in their planner, get a stamp for PATH, and participate in class or engage in class lessons to get better. There are wonderful lessons and instructional strategies being used to get your student to "Level-Up" this and get better.**

- **Teachers have locked assignments, and late work is no longer accepted. Please take a moment to discuss with your child how they are doing. What areas could they improve? Remember, the 6-week grading period serves as a time for reflection and adjustments. Support from home can significantly benefit your child's growth in middle school, where making mistakes and learning from them is part of the journey.**

PATH

- **We had a very successful PATH this week. Parents, please remember that this built-in intervention during the school day provides a valuable opportunity for students to connect with their teachers. They can seek help and work on missing assignments or test corrections. The number of students who did not receive a stamp has decreased to 37. Teachers assign specific tasks to help students improve if they have completed all missing assignments and need enrichment projects. When students do not receive a stamp, they are often working on Math worksheets, writing prompts, or participating in Silent Sustained Reading (SSR).**

- **Attendance**
- **I want to emphasize the importance of having your child present at school. We strive to maximize every instructional minute to support their growth. Establishing good attendance habits and creating positive routines is crucial. Prioritizing school attendance fosters habits that contribute to their success.**

- **Attendance Rates:**
- **Week 3: Week 4: Week 5: Week 6:**

WATER FUN

September 17th

Our ASB students went all out for our 6th Grade Water Balloon Event! There was several fun games, water balloon challenges, and plenty of laughs. Staff members even came out to watch, cheer on students, and jump into the fun themselves. It was one of those afternoons where the whole campus felt connected, and our 6th graders had an amazing time making memories with their friends. A huge thank you to ASB for creating such a fun experience for our newest Panthers!

YOU MATTER WEEK

September 14th - 18th

You Matter Week was a special week at Shivela filled with fun spirit days and meaningful reminders that every student matters. Each day gave students a chance to show their personality, school spirit, and support for one another. Our campus was filled with smiles, bright outfits, and positive energy as students celebrated what makes each person unique. It was a wonderful reminder that every Panther has a place, a purpose, and an important part to play in our school community.

Like the automobile parking permits, students will need to renew these annually.

1. All riders MUST wear a safety helmet, according to the law.
2. E-Bicycles/E-scooters should be walked when on school grounds and across intersections. School grounds begin at the parking lot.
3. Only one person should ride on a E-Bike at a time. No double riders. Penal Code **10.55.080 mmc**
4. All E-Bikes/E-scooters MUST be locked to the bike rack. If you don't have a bike lock, please do not ride your bike/scooter to school.
5. Wear a helmet. Penal Code **21212(a)**
6. NO WHEELIES.
7. Obey all traffic rules and signs.
8. Yield right of way to school traffic and pedestrians.

All E-Bikes **MUST** be locked to the bike rack. If you don't have a bike lock, please do not ride your E-Bike to school.

I have read and understand the rules listed concerning bicycle/scooter/E-Bike riding to school and have completed the online form below. I also understand that E-Bike/E-scooter riding is a privilege. If the rules listed are not followed or if I violate any of the rules, that privilege may be taken away and a consequence may be applied.
