

RETIRE: Policy 5137 is being recommended for retirement. This policy is not a WSSDA model policy and was developed by the 'Sumner School District' in 2006. This policy is redundant, as the content is covered in policy 5251-Conflict of Interest. Retiring this policy streamlines the manual without changing the Board's legal obligations or district practice.

~~SOLICITING AND SELLING~~

~~Soliciting and selling to staff shall not be allowed at school buildings and work sites during duty hours.~~
