SUPPORT ST. MARY'S

together, We Make More Possible

A MESSAGE FROM THE

HEAD of SCHOOL

Dear St. Mary's Community,

At the heart of St. Mary's is a caring and connected community united by a shared commitment to the learning and well-being of our boys. Together, we create the opportunities, experiences, and sense of belonging that help every student learn, grow, and thrive.

St. Mary's families have long strengthened our school through the St. Mary's Parent Association (SMPA) and other community-led efforts, such as the construction of our campus. Building on this tradition of generosity, the St. Mary's Fund invites families and friends to invest directly in the people, programs, and experiences that make a St. Mary's education so meaningful.

As a nonprofit school, St. Mary's relies on donations to provide opportunities beyond what tuition alone can support. Additional support through the St. Mary's Fund allows us to do even more.

Please join us by making a donation at a level that is meaningful to your family. Every gift makes a difference, and every family's participation strengthens our community. Thank you for your partnership and support.

Sincerely,

Andrew Davies

Gifts from our community strengthen academic programs, support innovative teaching and classroom resources, expand opportunities in the arts and athletics, fund field trips, and enhance our campus.

Together, we can give our students more ways to learn, discover, grow, and build a strong foundation for the future.
