# 16. 8. Approval of the Federal Addendum for the 2026-27 School Year

**Quick Summary / Abstract**

The 2026-27 Federal Addendum serves as the district's plan for coordinating federal resources with local priorities identified in the LCAP. It describes how federal funding will be used to support academic achievement, educator effectiveness, family engagement, and equitable opportunities for students while meeting all state and federal program requirements.

**Recommendation**

It is the Administration's recommendation that the School Board discuss and approve the 2026-2027 RCSD LCAP Federal Addendum.

**Rationale**

The LCAP Federal Addendum is meant to supplement the LCAP to ensure that eligible Local Educational Agencies have the opportunity to meet the Local Educational Agency (LEA) Plan provisions under the Every Student Succeeds Act (ESSA) for alignment of federal funding to the LCAP.

The LCAP Federal Addendum must be completed, approved, and submitted to the California Department of Education to apply for ESSA funding. Each provision for each program the LEA is applying for must be completed in a narrative that describes the implementation plan.

The LCAP committee (including DELAC members) will review the LCAP Federal Addendum and update it as necessary during the school year to include Federal Funds.

The ESSA funds are supplemental to the State funds; therefore, RCSD addresses items not specifically mentioned in the LCAP. The LCAP Federal Addendum addresses the provisions for:

Title I, Part A

- Educator Equity
- Parent and Family Engagement
- School-wide programs for neglected children or delinquent children
- Homeless students
- Grade transitions for students

Title II, Part A

- Professional Growth and Improvement
- Consultation to Support Continuous Improvement

Title III, Part A

- Professional Development

- Enhanced Instructional Opportunities
- English Proficiency and Academic Achievement

Title IV, Part A

- Access to a well-rounded education for all students
- Healthy and safe school environment
- Acces to personalized learning experiences

**Financial Impact**

$955,145
