

## EQUESTRIAN CHARGES – MILLFIELD – WITH EFFECT FROM SEPTEMBER 2026

The Millfield Equestrian Pathway consists of four coaching programmes:

The Meyers programme; an invitational programme for students with their horse on livery at Millfield.

The Team Millfield Development programme; for students with horses on livery at Millfield, home riders who bring their horses to school for coaching sessions, or in certain circumstances where capacity allows, with the use of school horses.

The Millfield Mix Schools programme includes the provision of a school horse for the coaching sessions.

The Home rider programme is for home-based riders that bring their horse to school for coaching once per week.

All four programmes are termly commitments with payment for coaching curriculum and livery/school horse loan during term time payable in advance.

All fees outlined in this fee notice are inclusive of Value Added Tax (VAT), unless explicitly stated otherwise.
