

Dear Families,

This week, our school is focusing on the character strength of **Teamwork**. Teamwork means working well with others as part of a group. It involves being loyal, reliable, and dedicated to helping your team reach its goals.

People who are strong in teamwork desire to help all group members succeed, committing time and resources to the group's shared goals. Sometimes, this means setting aside personal achievements to ensure the team does well as a whole. By doing this, they create positive feelings and help form a strong bond among group members.

Being a good teammate benefits everyone. When students work together, they feel proud of being part of something bigger than themselves.

To practice and encourage the character strength of teamwork at home, please visit The Positivity Project's mobile-friendly P2 for Families (available in [English](#) and [Spanish](#)), where you will watch a video together and discuss a quote and three questions. Below are links to this week's P2 for Families lessons. Click on the grade level that best meets your child's needs.
