The meeting was called to order by Dr. Rowe, Superintendent, at 6:01 p.m. in the middle-high school library. There were three (3) school board members present.

Boys' Basketball Concession Stand

Dr. Rowe began the meeting by reviewing previous board action on first right of refusal for concessions at basketball games that took place in October 2004. The committee recommends that concession stand rights for boys' basketball games be split evenly between the boys' basketball boosters and the band boosters for the 2025-2026 school year. The boys' basketball boosters will have concession stand rights for all boys' basketball games in the 2026-2027 school year.

The committee meeting was adjourned at 6:55 p.m.

Respectively Submitted,
Michael Piddington, Ed. D.
Assistant Superintendent
