

Good Afternoon Parents/Guardians:

The new school year is off to a great start with students and staff members working hard to ensure we will have another outstanding year. Please contact me if you have any concerns regarding your child's academic progress, or lack thereof.

Reminder – Parent Portal is an excellent tool that allows parents to keep close tabs on grades and attendance. Please contact me if you need assistance setting up your Parent Portal Account.

Speaking of attendance, that is one area where we can use the assistance of some of you. Please encourage your child to attend school regularly. Students who maintain excellent attendance generally also do very well academically. Please contact me if I can be of assistance in helping your child improve his/her attendance. Thank you
