7/17/2026	Sam Crombie (actionbase.co)		I am requesting access to public records under NH's Right to Know Law RSA 91-A. Please provide all emails and text messages regarding an incident in a 7th grade English class at Kingswood Middle School in which the teacher, Ms. Peterson, read a racial slur out loud to students. Also include any emails or text messages about a recording of this reading that Ms. Peterson posted on her Google Classroom Website. Include requests through email or texts for the teacher to remove the content and a timeline of events that followed. Also share any district literature about policies on the use of racial slurs. 7/13/2026	Sam Crombie (actionbase.co)		To Whom It May Concern, Under the Right-to-Know Law (NH Right-to-Know Law, RSA Ch. 91-A), I request a copy of the following existing public record: The agency's current employee salary roster, covering all active employees and their current pay, including for each employee: full name, job title or classification, base annual salary or hourly rate. If your standard export includes assigned division or unit, year-to-date overtime, or year-to-date gross pay, please include those fields as well. I am requesting your report as it already exists, and am not asking you to create a new record or compile new fields. Please provide it in native electronic format (Excel or CSV). I do not expect a cost for an existing electronic export. If any cost applies, please tell me the estimated amount before processing. I am not requesting Social Security numbers, home addresses, personal contact information, or other exempt information. To the extent any field is exempt, please provide the remaining non-exempt roster fields rather than withholding the record. Please confirm receipt and an estimated timeframe. 7/29/2026	Mary Hawthorne		To whom it may concern, Pursuant to RSA 91-A, I request the following records related to the Governor Wentworth Regional School District's administrative retreats funded in whole or in part by federal Title II, Part A or Title IV, Part A funds. A prior RSA 91-A request sought invoices, contracts, and payment records related to these retreats. The response consisted of NH DOE Grants Management System grant application and budget planning pages, which did not include the underlying contracts, invoices, or payment records. This request seeks those specific records. The district's own grant application records show an administrative retreat held at York Harbor Inn, a coastal resort in York Harbor, Maine, in July 2025, budgeted at \$150 per person per day for 19 individuals over two days. The records also show a second administrative retreat anticipated at Mills Falls Inn, a resort in Meredith, New Hampshire, in July 2026, budgeted at \$190 per person per day. Both dates fall within the peak summer tourist season for these venues. I request the following records, in electronic format: 1. The final, executed contract or agreement between the district and York Harbor Inn for the July 2025 administrative retreat, and between the district and Mills Falls Inn for the July 2026 administrative retreat. 2. The final invoice or bill issued by York Harbor Inn for the July 2025 administrative retreat, and by Mills Falls Inn for the July 2026 administrative retreat, if issued to date. 3. Proof of payment (check, wire confirmation, or purchase order closeout) reflecting the amount actually paid to each venue for each retreat. I request these records be provided within five business days as required by RSA 91-A:4, in a format that does not require a Google account or other login credentials to access, such as a PDF attachment or a direct download link.	7/31/2026	7/31/2026	Emailed response to requestor
8/4/2026	Mary Hawthorne		To whom it may concern, Pursuant to RSA 91-A, I request the following records related to the Governor Wentworth Regional School District's administrative retreats held at York Harbor Inn and at Mills Falls Inn, as delineated in the district's own NH DOE Grants Management System grant application records, at any time during fiscal years 2024-2025 through 2026-2027, funded in whole or in part by federal Title II, Part A or Title IV, Part A funds. A prior RSA 91-A request sought invoices, contracts, and payment records related to these retreats. The response consisted of NH DOE Grants Management System grant application and budget planning pages, which did not include the underlying contracts, invoices, or payment records. A follow-up request specified dates drawn from those planning documents; the district responded that offsite meetings occurred at both locations, but not on the dates provided. This request removes specific dates and instead identifies the retreats by venue, funding source, and the district's own GMS records, as described above. I request the following records, in electronic format: 1. The final, executed contract or agreement between the district and York Harbor Inn for the administrative retreat held there, and between the district and Mills Falls Inn for the administrative retreat held or planned there. Please identify the actual date(s) of each retreat in your response. 2. The final invoice or bill issued by York Harbor Inn for that retreat, and by Mills Falls Inn for its retreat, if issued to date. 3. Proof of payment (check, wire confirmation, or purchase order closeout) reflecting the amount actually paid to each venue for each retreat. I request these records be provided within five business days as required by RSA 91-A:4, in a format that does not require a Google account or other login credentials to access, such as a PDF attachment or a direct download link.	8/07/2026 8/14/2026	8/14/2026	Emailed response to requestor
