

HADDON TOWNSHIP BOARD OF EDUCATION

Broadcast

Dear Haddon Township School District Community,

I hope everyone is doing well and that you and your families have enjoyed a successful start to the school year. I want to make everyone aware of several events taking place in Haddon Township this evening and tomorrow, especially since (2) large events are both occurring at the high school tonight. It is a busy time in Haddon Township, and we appreciate everyone's patience and cooperation with tonight's parking and traffic. We are proud to support and host these important school and community events. I hope to see many of you this evening. Have a great day, and Go Hawks.

Town Hall

At 6 PM, Camden County will host a Town Hall Meeting and Service Fair in the lower gymnasium at Haddon Township High School. The event will include Mayor Randy Teague, Congressman Donald Norcross, Commissioner Director Louis Cappelli Jr., and Assembly Majority Leader Lou Greenwald. The evening will also recognize Veteran James E. Bresch for his service in the United States Navy.

Football Night Game

At 7 PM, our Haddon Township Hawks football team will take on the Clayton Clippers. Because both events are on the high school campus at the same time, parking will be tight. If you are attending the football game, please consider parking at the middle school or along the entrance to RMS or in the vicinity of Newton Creek and walking over to the game. We are not sure how large a crowd the Town Hall will draw, so please allow extra time and plan accordingly. Our football game is being played on Thursday evening rather than Friday night because of the current shortage of high school football officials. We are simply making the best of a busy evening and working to accommodate multiple events on campus.

Back to School Night

Also this evening, Van Sciver will host its Back-to-School Night at PM. We are excited to welcome our Van Sciver families back into the building and continue a strong start to the school year.

25th Anniversary 9/11 Remembrance Ceremony

Tomorrow, Friday, September 11, the Westmont Fire Company will host a ceremony commemorating the 25th anniversary of September 11, 2001. The ceremony will take place from 9:30 AM to 10:30 AM in front of the firehouse at [120 Haddon Avenue](#), near the 9/11 monuments. Parking will be available in the firehouse rear lot for those arriving before 9:15 AM. After 9:15, [Haddon Avenue](#) will be closed from Reeve Avenue to Cooper Street. Those arriving after that time will need to utilize street parking outside of the secured area.

-Sincerely,

Robert J. Fisicaro, Ed. D. Superintendent
