Teacher Advisors

- Darrel Ackroyd, dackroyd@bscsd.org
- Jenna Singer, jsinger@bscsd.org
- Luke Snow, lsnow@bscsd.org

If students need assistance at any time with their high school class they should email their advisor.

This course uses the online platform Canvas for assignments and activities. Links below can also be accessed via the Clean Tech website. <https://cleantechechs.bscsd.org/>

CANVAS

<https://bscsd.instructure.com>

They have the same log on for their BSCSD Google Drive and Canvas. This is a single sign on - if students are in Google they will automatically be logged into Canvas.

Assignment grades can be accessed through the Canvas account.

Quarter grades will be sent to home schools for student report cards.

Home School Visits by High School Program Staff

Students need a chromebook/computer that will connect to their district's wifi and allow them access to Canvas and BrightSpace

- Week of 9/28; 11/2; 12/14

Clean Technologies & Sustainable Industries Early College High School Program

Field Trips to TEC-SMART (weather permitting) *If Ballston Spa CSD has a 2 hour delay or is closed, the visit will be rescheduled.* 10th Grade Visit Dates (7:50 AM-10:50 AM) – **September 17th, October 16th, November 18th (Expo), December 16th, January 22nd, February 25th, March 23rd, April 29th, May 26th (Expo)**

What to Bring to Visits:

- Charged Chrome Book
- Snack
- Students should bring a lunch with them if they are missing lunch at their home school.

Please check with your home school regarding transportation to the visits.

***Student Project Exhibitions at TEC-SMART 11/18 and 5/26- Open to families, school administrators, and business partners.**

HVCC Courses-Distance Learning (Online)

- College Forum- *Fall 1.0 HVCC college credit*
- Sociology –*Spring 3.0 HVCC college credits*

This course is taught by HVCC faculty.

- Each professor will provide a syllabus with assignments and due dates.
- Many professors do not accept late work.
- Students will be provided with contact information on how to obtain assistance from their professor.

HVCC courses use D2L BrightSpace (learning management system) for online classes.

<https://mylearning.hvcc.edu/>

Students should have their HVCC username and password. This will be used for connection to wifi on visits, as well as for HVCC college coursework during the sophomore through senior years. ***Please note: ECHS staff are unable to access them if lost or forgotten. Students should answer the security questions on WIREd in order to reset their password without having to go in person to the main campus.***

HVCC WIRED <https://www.hvcc.edu/students.html>

College midterm and final grades can be accessed through the HVCC WIRED account.

Final grades will be at the end of each semester to home schools from HVCC.

ECHS Staff do not have access to grades, other than during the reporting times of midterm and final grades.

Students can access their progress in college course work by logging in to D2L BrightSpace and going to the grades tab.

Resources & Support

- Canvas College Support page & Shared Google Folder to assist with assignments/information
- HVCC Library- We recommend a trip on a Saturday if you need help with a major paper or presentation.
- ECHS Staff- Email your advisor or Mrs. Snow for questions about the college coursework, time management, etc. We will also conduct visits to home schools to assist you.
