A PLACE TO *Learn.*
A PLACE TO GROW.
A PLACE TO *Belong.*

At St. Anne-Pacelli Catholic School, education is about more than what happens in the classroom. It's about discovering God-given gifts. Building confidence. Finding your people. Being challenged to grow. Learning to serve others. And becoming the person God created you to be.

From a child's first days in preschool to the moment a senior takes the Viking Walk, our students grow up surrounded by teachers, coaches, classmates and families who know them, encourage them and celebrate them.

Here, faith shapes who we are. Excellence inspires what we do. And community makes this place feel like home.

Welcome to St. Anne-Pacelli.

FAITH LIVES HERE.

At St. Anne-Pacelli, faith isn't confined to religion class.
We pray together. Worship together. Serve together. Celebrate together. And, we help students understand that their talents have a purpose beyond themselves.

Rooted in the Catholic faith, our community welcomes families into an environment where students are encouraged to grow intellectually, spiritually and personally.

Most importantly, we want every Viking to know something that can shape a lifetime:

You are known.
You are loved.
God has a purpose for you.

CALLED TO MAKE A DIFFERENCE.

Our students put their faith into action through service projects,
retreats, liturgy, and everyday acts of kindness.
Most importantly, they learn that their gifts can change the world.

CURIOUS TODAY. READY FOR TOMORROW.

Great education begins with great relationships. Our teachers know their students - their strengths, their challenges, their interests and their potential. That allows us to meet students where they are while continually challenging them to take the next step.

From hands-on discovery in our youngest classrooms to advanced coursework, AP Capstone and Dual Enrollment opportunities in high school, Vikings are encouraged to ask questions, solve problems, think deeply and discover what they're capable of achieving.

Because preparing students for what's next isn't only about where they'll go.

It's about who they'll become.

SOME THINGS YOU HAVE TO EXPERIENCE.

Traditions become memories.
Classmates become lifelong friends.
Teachers become mentors.
And somewhere along the way,
a school becomes home.

That's the Viking experience!

EVERY VIKING HAS A STORY. MEET A FEW.

Kayleigh Coney, Class of 2028

Kayleigh Coney has been attending St. Anne-Pacelli since 9th grade. She says the transition from public to private school was smooth.

"I really enjoy the smaller class sizes at Pacelli." The 11th grader has already taken 6 AP courses and her favorite subject so far is AP US History. In addition to being on our Dance Team, Kayleigh participates in Cross Country and is a member of our National English Honor Society and Rho Kappa National Social Studies Honor Society.

Mike & Christy Schreck, Parents

The Schrecks joined the St. Anne-Pacelli family in 2015 when their oldest child started Kindergarten. Today, they have an 11th grader, a 9th grader and a 7th grader, and they say they continue to love this school more and more each year.

"What stands out most to us is the combination of a high level of learning, a strong Catholic foundation and a genuine sense of family. Our children are known, supported and encouraged to grow not only as students, but also in their faith and as individuals."

Bradley Dalelio, Alumna

Bradley Dalelio, St. Anne-Pacelli Class of 2022, graduated magna cum laude from Auburn University with a bachelor's degree in Exercise Science—in just three years!
Bradley credits Pacelli's AP and dual enrollment opportunities with giving her a head start in college. "I went in just four credits shy of being a sophomore, and I owe it all to my AP and dual enrollment classes at Pacelli!"
She's now pursuing a master's degree in Athletic Training at the University of South Carolina.
