Community

Mt. Olive High School is located in Mount Olive Township, a community approximately 45 miles west of New York City. The thirty-two square mile community forms part of the western boundary of Morris County. Residential suburban growth and industrial expansion characterize this changing northwestern New Jersey area. The combined population of the township is nearly 30,000. Mount Olive residents cross a broad spectrum of socio-economic levels. Most are college graduates. Mount Olive is a community strongly characterized by a spirit of volunteerism and community service. Community members generously offer their support in the educational programs and student activities at Mount Olive High School.

Curriculum

The college preparatory curriculum is designed to develop individual potential while meeting the entrance requirements of America's most competitive colleges. A fully diversified curriculum in college preparatory and standard subjects is offered in art, business, computer education, English, family and consumer science, mathematics, music, physical education, science, social studies, related arts, and world languages. Cooperative education and vocational-technical subjects are available in shared-time programs. A four-year honors sequence is offered in English, mathematics, science, social studies and world languages. For students with special educational needs, the school offers foundation courses in the academic areas as well as supportive instruction in learning and study skills. In September 2016, construction was completed on the Marauder Innovation Learning Lab (MILL). One of the highlights of the new space are thirty 3D printers making MOHS the only high school in the country to offer students such vast opportunities for creating. The renovation also included a new sound studio with recording booths.

School

Mount Olive High School was established in 1978 when the community elected to de-regionalize from the West Morris School District and construct its own high school building. Mount Olive High School is a four-year comprehensive public high school. The high school is a member of the National Association of College Admissions Counselors and complies with the NACAC *Statement of Good Practice*. Our high school is a 2026 Best High School, based on rankings that US News & World Report publishes. All six Mount Olive schools were recently recognized for their effective use of digital learning tools and their commitment to sustainability. Each school was awarded a Digital School Star and earned bronze certification from Sustainable Jersey.

SAT Reasoning Test Scores

The scores below represent the rounded, mean results of 185 members of the class of 2026 or 49 percent of the class, 182 members of the class of 2025 or 50 percent of the class, and 250 members of the class of 2024 or 72 percent of the class. The accompanying chart is a depiction of the comparisons between the mean Evidence-Based Reading & Writing (ERW) and Mathematics (M) scores for students from Mount Olive High School (MOHS), test-takers nationally (National) and students from the State of New Jersey (New Jersey). The best scores of all class members who took the SAT are reported.

	2024			2025			2026		
	ERW	M	T	ERW	M	T	ERW	M	T
MOHS	557	547	1105	574	561	1135	577	571	1148
National	519	505	1024	532	511	1043	530	515	1045
New Jersey	531	519	1050	534	524	1058	535	533	1068

2026 Advanced Placement Results

In 2025-2026, a total of 931 AP Examinations were administered. 472 students were tested in 29 subject areas: 3D Art & Design, Biology, Calculus AB, Calculus BC, Chemistry, Computer Science A, Computer Science Principles, English Language and Composition, English Literature and Composition, Environmental Science, European History, French Language & Culture, Human Geography, Macro & Micro Economics, Physics 1, Physics 2, Physics C: Mechanics, Physics C: Electricity & Magnetism, Pre-Calculus, Psychology, Research, Seminar, Spanish Language & Culture, Statistics, Studio Art-2D Design, United States Government & Politics, United States History, and World History: Modern.

2026 Advanced Placement Results	
Total Students	472
Number of Exams Completed	931
Percent Scoring 3 or Higher	79.0%

Academic Recognition	2025	2026
NMS Letters of Commendation	3	5
NMS Semi-Finalists	0	0
NMS Finalists	0	0

Post High School Plans

The figures in the chart below represent the percent of graduates who plan to further their studies at 4-year colleges, 2-year colleges, or technical career or post-graduate programs. A small percentage of Mount Olive graduates enter the military or the workforce upon graduation.

Post High School Plans (% pursued post-secondary education)	2024	2025	2026
4 year colleges	61	64	60
2 year colleges	25	21	22
Technical, Career and Other	14	15	18

Grading and GPA Calculation

Grades in all courses are established as indicated. A weighted grade point average (4.0 scale) is calculated for all students each year. Final grades in all courses taken with the exception of Pass/Fail, Medical Excuse, or Audit are utilized in the calculation.

Grading Scale		AP Weight	Honors Weight	College Prep Weight	Standard Weight
A+	98-100	5.33	4.83	4.33	3.83
A	93-97	5.00	4.50	4.00	3.50
A-	90-92	4.67	4.17	3.67	3.17
B+	87-89	4.33	3.83	3.33	2.83
B	83-86	4.00	3.50	3.00	2.50
B-	80-82	3.67	3.17	2.67	2.17
C+	77-79	3.33	2.83	2.33	1.83
C	73-76	3.00	2.50	2.00	1.50
C-	70-72	2.67	2.17	1.67	1.17
F	Below 70	0.00	0.00	0.00	0.00
WP		2.67	2.17	1.67	1.17
WF		0.00	0.00	0.00	0.00
P		3.00	2.50	2.00	1.50

P=Passing WP=Withdrawn Passing WF=Withdrawn Failing F=Failing
N= Loss of Credit due to excessive absence

Calculation of Student Standing

At the conclusion of each quarter, a weighted grade point average that includes all subjects is computed for all students who have attended Mount Olive High School for at least five semesters. All marking period grades, mid-term and final exam (if given) are used in the computation, except where those grades are recorded as Pass/Fail, or Audit (AU). Grades are transposed from alphabetical grades to the designated numerical grade equivalents. To calculate student standing, the total weighted grade points are divided by the number of grades issued. This calculation results in the weighted grade point average. Mount Olive High School does not release exact standing except for scholarship purposes. The accompanying chart depicts the range and number of class members in each decile grouping for the class of 2027 as of the conclusion of the 2025-2026 academic year.

Class of 2027 Grade Distribution		
Weighted Grade Point Average	Decile	N= 396
4.896 - 4.318	1	40
4.309 - 4.038	2	40
4.031 - 3.890	3	40
3.882 - 3.693	4	40
3.690 - 3.544	5	40
3.537 - 3.362	6	40
3.356 - 3.142	7	39
3.137 - 2.847	8	39
2.837 - 2.344	9	39
2.334 - 1.089	10	39
