

Parental Notification of Standardized Assessment

Pursuant to N.J.S.A. 18A:7C-6.6 school districts must, by October of each year, provide parents specific information on State assessments or commercially developed standardized assessments that may be administered to your child during the school year. It is very important to note that all students may not be administered all assessments. Additionally, the allotted time frames are approximate time frames and students may be permitted extra time or accommodations as outlined in an IEP or 504. Please do not hesitate to reach out to your child's principal or counselor for additional details on accommodations and accessibility options. [NJDOE State Assessment Web Page](#)
