What you need to get started:

✓ your copy of your approved design – so you will have your approved template to follow. You must follow the design exactly – no changes allowed.
✓ shade structure will be helpful
✓ a blanket or cardboard to kneel/sit on while painting. The pavement is hot!
✓ your paint (**MUST BE:** WATER-BASED EXTERIOR LATEX)
✓ Water and Gatorade
✓ a broom to sweep off your spot before painting. (A battery-powered leaf blower works even better)
✓ paintbrushes, rollers, paint trays (rollers for "rough surface" work best)
✓ tape off your design space with painter's tape
✓ After you are done painting…allow it to fully dry before walking or driving in space.

PROHIBITED:

• No offensive language, pictures, or symbols.

• No negative or rude language (BE NICE/BE KIND)

• No "gang-style tagging"

• No double entendres (Double meanings)
