It is important to note that regular school attendance is essential to the successful completion of any education program. Pennsylvania law states, a minimum of **ten days** of cumulative lawful absences verified by parental notification may be permitted during a **school year**. All absences beyond ten Cumulative days will require an **excuse from a physician**.

Due to possible changes in classroom instruction, we will wait until your child returns from this trip to receive missed work. If you would like to have your child do something academically on their trip, have them keep some sort of diary or reading journal that they might want to share when they return.
