Cardio-Pulmonary Resuscitation (CPR) Training for High School Students

HUSD Parent or Guardian:

CPR TRAINING FOR HIGH SCHOOL STUDENTS

Higley Unified School District provides high school students Cardio-Pulmonary Resuscitation (CPR) training in accordance with Arizona State Law (ARS 15-718.01). This law requires that students are trained in CPR **as a graduation requirement**. Students will be trained in CPR using the American Red Cross CPR Training curriculum and will be trained by certified Red Cross presenters. Your child will receive this training on one of the dates listed below unless you indicate otherwise. Please note: this training does not qualify students to obtain a certified CPR/First Aid Card.

Please mark your choice by checking the appropriate box below:

□ HHS (300 students max) on **October 28, 2026** (following ½ day dismissal)

□ My child is already CPR certified (please attach a copy of student's current CPR card).

□ I do not want my child to have Cardio-Pulmonary Resuscitation (CPR) Training (Opting Out).

Student Name (Please Print) Student ID# Current Grade
