STUDENT RULES & CONSEQUENCES

2026-2027

The following is a summary of selected rules and potential consequences for infractions at our middle Schools and high school. Parents/guardians are asked to review these rules with their child(ren). An electronic acknowledgement is required and must be completed using the link provided on the final page. A full list of school rules and policies can be found in the Student/Parent Handbook, available on each school's webpage at pmschools.org, and will also be shared via ParentSquare.

All secondary students have the responsibility to:

- ✓ Contribute to maintaining a safe and orderly school environment that is conducive to learning and to show respect to other people and property. Our school is a public place and behavior and actions should represent such.
- ✓ Be familiar with and abide by all district policies, rules, and regulations dealing with student conduct.
- ✓ Attend school every day, in person, unless legally excused, and be in class on time, and prepared to learn.
- ✓ Work to the best of their ability in all academic and extracurricular pursuits and strive toward their highest level of achievement possible.
- ✓ Follow directions given by teachers, administrators, and/or other school personnel in a respectable positive manner.
- ✓ Safeguard of all school district issued electronic devices to students.
- ✓ Seek help in solving problems.
- ✓ Dress appropriately for school and school functions.
- ✓ Accept responsibility for their actions.
- ✓ Conduct themselves as representatives of the district when participating or attending school sponsored extracurricular events and to hold themselves to the highest standards of conduct, demeanor, and sportsmanship.
- ✓ Immediately notify school personnel if bullied, harassed, intimidated and/or feels they were disrespected.
- ✓ Be open to active participation in resolving conflicts through Restorative Practices.

RESTORATIVE PRACTICES

Restorative Practices are a framework for building community and responding to challenging behavior through authentic dialogue, coming to an understanding, and making things right. When conflict occurs, Restorative Practices encourage dialogue between the victim and offender and emphasize the values of empathy, respect, honesty, acceptance, responsibility, and accountability.

Restorative Practices focus on a multi-tiered approach:

- Tier 1:** Build and Strengthen Relationships (School-wide Prevention)
- Tier 2:** Responding to Conflict and Harm (Targeted Interventions)
- Tier 3:** Re-Entry Support

Tiered behaviors examples:

- Tier 1:** Lateness, truancy, minor class disruptions
- Tier 2:** Excessive lateness, gross disruptions, profanity
- Tier 3:** Physical altercations, use/possession of drugs, weapons

Our secondary schools have implemented Restorative Practices to enhance our approach to discipline, focusing on prevention and positive responses to problematic behavior.
