Community and Inclusion

EA strives to create an environment in which all people and perspectives are respected and valued, and our full engagement with this diversity benefits every facet of teaching, learning, and community life.

Our Episcopal roots encourage us to learn and live by the values of inclusion, equity, and justice. Consistent with our mission and school motto, *Esse Quam Videri* ("To Be, Rather Than To Seem To Be"), we strive to instill in each student an authentic sense of curiosity, kindness, and moral obligation toward others; and our graduates enter college ready to extend, deepen, and apply their learning in thoughtful and relevant ways.

Signature Programs & Leadership Opportunities

LILLEY FELLOWSHIPS AND INDEPENDENT STUDY

The Lilley Fellowship Fund awards fellowships to students who exemplify academic curiosity, intellectual rigor, and scholarly passion. Students are chosen through an intensive application process, which includes defending their proposals before a faculty committee.

The Lilley Fellowship Program offers two research opportunities to Upper Schoolers who work with faculty mentors. With the traditional, ungraded **Fellowship interdisciplinary project**, students curate their own project/initiative from January to August, and later present to their peers. The **Advanced Independent Study** is a graded, honors-level course that allows students to explore a topic deeply within a particular discipline for a semester or entire year.

EQV

Named after our school motto, *Esse Quam Videri* (EQV) is a student leadership group made up of 12 EA seniors who are elected by their peers and the Upper School faculty on the basis of leadership potential and proven qualities of integrity, honesty, and respect. The group seeks to cultivate a positive and inclusive culture in the school community and nurtures the leadership capacities of EQV members.

VESTRY

The Vestry provides spiritual leadership for the student body. The 18 elected members plan and conduct Chapel services throughout the academic year in partnership with the chaplain.

MAY TERM

May Term is a two-week, interdisciplinary program at the end of the second semester. Students take one intensive course on or off campus. Courses are hands-on, experiential and/or project-based.

PENNSYLVANIA JUNIOR ACADEMY OF SCIENCES (PJAS)

Students select a topic of their choice and spend an entire school year outside of school hours conducting research which is presented at regional and state competitions.
