Annual Parent Right-to-Know Notice

Teacher and Paraprofessional Qualifications | ESSA Section 1112(e)(1)(A)

September 7, 2026

Dear Parent/Guardian:

Main Street School receives federal Title I, Part A funds to help students meet Pennsylvania's challenging academic standards. Federal law gives parents and guardians the right to request information about the professional qualifications of the classroom staff who work with their child.

At any time, you may request information about:

- Whether your child's teacher has met Pennsylvania qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
- Whether your child's teacher is teaching under emergency or other provisional status through which Pennsylvania qualification or licensing criteria have been waived;
- The baccalaureate degree major of your child's teacher, any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree; and
- Whether your child receives services from a paraprofessional and, if so, the paraprofessional's qualifications.

Main Street School is committed to high-quality instruction and to ensuring that teachers and paraprofessionals meet applicable Pennsylvania requirements. This notice does not indicate that your child has been assigned to a teacher or paraprofessional who does not meet those requirements.

To request qualification information or ask questions about your child's instructional program, please contact Principal Christina Edmondson at 610-447-3685 ext. 3331 or cedmondson@chesteruplandsd.org. Information will be provided in a timely manner.

We value your partnership and appreciate your continued support of your child's education.

Sincerely,

Christina Edmondson

Principal, Main Street School
