

Natomas Middle School (7-8) Our Mission: To Help Every Student Succeed, Feel Safe, and Be Part of a Caring School Community

Living the Panther Way

WHY NATOMAS MIDDLE SCHOOL?

Natomas Middle School is a vibrant learning community where every student is encouraged to show their CLAW-Character, Leadership, Academics, and Wellness. We are proud to serve a diverse population of 7th and 8th grade scholars who are supported by caring educators committed to helping them grow academically, socially, and emotionally. Our teachers provide engaging, hands-on learning experiences that challenge students to think critically, collaborate effectively, and solve real-world problems. We emphasize respect, responsibility, and resilience, creating a school culture where students feel connected, supported, and inspired to succeed. At NMS, we prepare students to thrive in high school, college, and beyond.

IS NATOMAS MIDDLE SCHOOL RIGHT FOR MY STUDENT?

Natomas Middle School provides a wide range of programs and supports to meet the needs of all learners. Teachers differentiate instruction for English Learners and students in Special Education, ensuring every student can grow and succeed. Students can explore science, broadcast media, the arts, and leadership through hands-on projects. We also offer many enrichment programs such as LEAP Academy, IYT, All Things Pretty, athletics, and clubs.

Our school also uses Restorative Justice and Positive Behavioral Interventions and Supports (PBIS) to maintain a safe and positive learning environment. Restorative practices focus on rebuilding relationships and resolving conflicts constructively, while PBIS reinforces positive behavior and school-wide expectations. With these supports, students are empowered to make responsible choices, build strong relationships, and develop the skills they need to succeed academically, socially, and emotionally.

WHAT IS OUR OPTION FOR HIGH SCHOOL?

- Inderkum High School
