AYA After School Sports Program

Flag Football, Soccer, Basketball, Volleyball, Dodgeball, Kickball, Track, Cheer, Dance

Student and Parent Code of Conduct / Sportsmanship Contract

Philosophy

The AYA Program supports the school system's academic mission and assists students in their growth and development. The AYA Program promotes the importance of teamwork, effort, goals, and commitment. We understand that the AYA Sports Program is highly competitive, but winning is not the primary measure of success. Sportsmanship, respect for participants, and dignity in the face of adversity are more important than the outcome of the contest. Not all athletes perform at the same level, but all can demonstrate effort, dedication, and fair play.

Good Sportsmanship is defined as:

- playing hard, giving maximum effort, and hustling regardless of ability or outcome
- enjoying the privilege of participating and the opportunity to compete
- being a humble winner and a gracious loser
- treating everyone as you would want to be treated
- cheering and encouraging all participants (on my team or the other team)
- never speaking in a degrading or negative manner toward any participant
- never using foul language
- never throwing any equipment
- never intentionally hurting, threatening, or assaulting another participant

Participation Standards

Participation in the AYA After School Sports Program is a privilege. Accordingly, students must meet certain standards to earn the privilege of participation. At a minimum, the following standards are required of all student-athletes.

- Exhibit public behavior that will reflect positively on the team, school, and community.
- Exhibit responsible, respectful, and trustworthy behavior to teammates and the coach.
- Exert efforts to maintain a high level of academic achievement.
- Comply with all team, school, and school system rules, regulations, and policies.
- Respect and comply with decisions made by the coach
- Respect calls and decisions made by game officials.
- Display good sportsmanship at all times.

Participants Code of Conduct Agreement:

I pledge to be responsible for my participation by following the AYA Player Code of Conduct:

- I agree to practice good sportsmanship at all times, to win without boasting, lose without excuse, and never quit.
- I agree to attend and participate in all scheduled games and practices when reasonably possible.
- I will never throw equipment in anger, and I agree to be aware of safety, and I will follow team and league rules to ensure safe play.
- I agree to my coach's and Referees authority and will participate and communicate positively with my coach and teammates.
- I agree to treat fellow players, opponents, fans, and Referees with respect.
- I agree to exercise self-control at all times, refraining from foul language and setting a positive example for others to follow.
- I agree to support and encourage my teammates, and to always try my best to try and keep a positive attitude.

Students Consequences for violating the league's Code of Conduct:

- Consequences can be simply a reprimand or up to a game suspension. In the case of a physical incident or altercation, the matter shall be addressed by the AYA Management Team and can range from suspension to expulsion from the league and program.

Parent/Guardian Role in Supporting Sportsmanship

Parents/Guardians play an important role in supporting sportsmanship as a mentor/role model for their children. By choosing the parent role, the AYA After School Sports Program expects parents to act as mentors/role models for their children and support the League's efforts to promote sportsmanship. There will be zero tolerance for parents who intimidate, interfere with, or physically or verbally abuse coaches, players, referees, parents, or other fans at any games or other events. AYA expects a high standard of sportsmanship from players, coaches, and referees, and expects the same standard of conduct for parents/guardians of children registered to play.

The consequences of not following the parental rule of conduct **will** result in your child being dismissed from participating in The ELO Sports Program for the season.

AYA staff will not tolerate disruptive behavior by parents/ guardians/or any individuals during AYA program, AYA events, and AYA SPORTS. Disruptive individuals will be asked to leave the site and meet with an AYA Management for further action.

California Education Code Section 44810 provides that any parent or other adult who comes onto school grounds and willfully interferes with any lawful conduct, school class, or activity of the school, with the intent to disrupt or obstruct the activity, is guilty of a misdemeanor, and is punishable by a fine or imprisonment.

Service animals are allowed to be brought onto school grounds per Civil Code § 54.1. Please advise after school staff before sporting events. Must provide a plan for the proper care, sanitation, feeding, and handling of the animal at school events.
