

Complete one form per student
Return to the student's school by October 1, 2026

This single form addresses **(1) directory-information restrictions** and **(2) yearbook**. Complete the sections that apply. A signature is required to process any restriction or consent.

Student name		School	
Grade		Home address	
Parent/guardian or eligible student signature		Relationship to student	

SECTION 1 — MEDIA / DIRECTORY INFORMATION OPT-OUT

District Policy 515 designates the categories below as directory information. Unless restricted in writing, the District may disclose this information without prior consent. **Complete this section only if you want a restriction.**

☐ **Restrict all directory-information categories.**

☐ **Restrict only the categories checked below:**

☐ Student name	☐ Photograph
☐ Dates of attendance	☐ Grade level
☐ Enrollment status	☐ Participation in recognized activities and sports
☐ Height and weight of athletic team members	☐ Degrees, honors and awards
☐ Most recent educational agency or institution attended	

SECTION 2 — YEARBOOK CHOICE

Yearbooks commonly include a student's name, photograph, activities/sports, and honors/awards. If you restricted any of those categories above, select one option:

☐ Apply the restrictions selected above to the school yearbook. I understand my student may be omitted from portraits, names, captions, team/activity pages, and recognition sections.

☐ Despite the restrictions above, I specifically authorize my student's name, photograph, activity/sport participation, and honors/awards to appear in the school yearbook only.

If neither yearbook option is selected, any applicable directory-information restriction will also apply to the yearbook.
