Emmett High School

August Board Report

Drop-ins. We have had a large number of students from August 4th-6th come prior to the start of school to acquire their Chromebooks, key cards, and to pay fees. This helped alleviate the number of students that will need these things at our Open House. We will continue this practice in the years to come. It was very well received.

Open House. Our Open House is scheduled for August 12th from 5-7 pm. We are excited for our staff to be present and to meet and greet our students.

Facilities Update. ABM did a wonderful job cleaning this summer. Floors look great, classrooms are ready, and the gym floor looks beautiful. Our gym is getting a few upgrades as we remove the old UCONN Husky and replace it with our "E" logo. Expect to see digitized banners to recognize our past athletes and district/state placers. Also, plan to see new wall pads that were sponsored and installed by Idaho Central Credit Union.

Welcome Back. We have our district-wide welcome back coming on Monday. We are excited to have our staff back in the building. Lisa Hargitt and I have a small presentation prepared for the staff to excite them for the upcoming school year. We plan to introduce our district's focus on PLC's and our MTSS processes.

Athletics and Extracurricular. Our band has been working hard preparing for a welcome back assembly on the first day of school. Mr. Barrett and his student council students have been planning and working hard as well to enthuse our students on the first days. Our sports teams are currently partaking in "dead week," where they are not allowed to participate in any extracurricular activity per the IHSA rule. Our practices begin on August 10th for our sports teams! Our first days of games begin on the 22nd up in Moscow, and there is nearly a game event of some sort every day after until the end of October. Please come out and support!
