I have added the scores for the 2025-2026 school year below last year. We are currently taking the ELA ISAT and will take the Math ISAT next week. We are testing towards the end of the window so that teachers can spend more time teaching skills.

Findings: CES is better than the state average in all but two categories, and even with the state in those two for the 2025-26 School Year. We again rocked the Science ISAT.

★ Events Past/Upcoming

⇒ Back to School Night, August 13, 5-7 pm. Parents and students bring in their school supplies and meet their teachers and tour the building. Board members are welcome to come and see the students that you represent be excited to start the year.

⇒ CES has changed our master schedule to give students 45 minute specials each week, versus having 2 of the same specials two times a week. This will give us an opportunity for more time in ELA/reading and math instruction.
