

Emmett Middle School
Board Report
September 2026

We've started the year off strong with excitement and anticipation amongst the staff, students, and parents. Our Sam Demma kickoff assembly received many positive comments from students and teachers. Sam delivered important, relatable messages to our students highlighting important concepts: "Small, consistent actions make a big impact"; "We never know what emotional loads a person is carrying in their backpack, so be kind; and "We can't always control outcomes, but we always control our attitudes and inputs."

We're completing SICA testing a bit earlier this year to ensure students are enrolled in appropriate classes, aligning with staff goals this year to improve Tier I instruction and improve classroom procedures.

I'm happy to report the HVAC and carpet upgrades have made a world of difference to our learning environment! The building is comfortable and noise levels in the hallways are substantially lower with carpet vs. tile flooring.

September Building Dates:

9/1 Staff PLC

SICA testing

9/2 Picture Day

9/3 MTSS Grade Level

9/7 Labor Day

9/11 PD Friday

Leadership Meeting

9/16 MTSS Grade Level
