Welcome to Fallapalooza

A Community Celebration of Seattle Academy's Fall Athletes

We're glad that you are able to join us today and hope that your experience here at Starfire is an enjoyable and memorable one. We'd like to congratulate all of today's participants, and we hope all players, coaches, spectators, and officials enjoy their Fallapalooza experience.

This event is a direct result of the commitment and hard work of many individuals. We would like to extend a huge thank you to the faculty and staff who helped plan this event and the dedicated volunteers for their time and tireless efforts.

Please remember that safety and sportsmanship are the ultimate goals of our interscholastic activities, whether at practice or during competition. Spectators should always respect other fans, participants, and coaches, as well as the decisions made by the contest officials. Parents are asked to be exemplary role models by positively supporting all of today's competitions.

Thank you,
Seattle Academy Athletics

SAAS *Cardinal Council*

Launched in 2022, the Cardinal Council is a student-led group that represents all Cardinal athletes and serves as a bridge between the Athletics Department and the student-athletes at Seattle Academy. The council works actively to build a sense of community, encourage sportsmanship in all facets of SAAS life, promote athletics, and create a positive student-athlete image amongst the student body. Each year, students who will be in grades 9-12 the following year, and who play at least one SAAS sport, are encouraged to apply for the Cardinal Council at the end of the academic year. It is a written application process with a faculty recommendation requirement. At today's Fallapalooza, the Cardinal Council is in charge of the Fanfare HQ in the SAAS Village. Go Cardinals!

Support **IMPACT SAAS, THE ANNUAL FUND!**

The magic that happens at SAAS is made possible by those who support our school each year with donation.

Impact SAAS, the Annual Fund, is our critical annual fundraising effort. Like other independent schools, we depend on philanthropic support to elevate our dynamic college preparatory education to something truly transformational.

Your gift is immediately applied to the school's operating budget—having a **direct impact on every student** this school year. Seattle Academy families, faculty, staff, grandparents, alumni, and friends give generously each year to help us prepare students as they question, imagine, and create in order to contribute boldly to a changing world.

Annual gifts of all sizes make a difference, and our goal is **100% parent participation!** Every gift matters. Every family makes an impact.

In the coming weeks, look for more information on how you can join in to make an impact on this year's Annual Fund!
