A Message from Dr. Christy Harrison

We are off to a strong start this school year! It has been great to see our students back in our buildings, our staff working hard, and our families and community supporting our schools. Thank you for helping us get the year started on such a positive note. Let's keep it going!

Homecoming is coming up on Friday, October 2. The parade will begin at 1:00 p.m., with the football game that evening. We hope you'll come out and help us celebrate our students and show your Eagle pride!

We also have student-led conferences coming up. This is a chance for students to share what they are learning, where they are growing, and what they are working toward. I hope our parents and families will make plans to attend. Your involvement matters, and our students need to know that school and home are on the same team.

As we look ahead to November, we are also looking forward to welcoming our veterans into our schools for Veterans Day. This is a special tradition at Holden, and we are grateful for the opportunity to honor those who have served. We look forward to seeing our veterans and their families on campus!

I also want you to know that I want to hear from you. If you have a question, concern, thought, or idea, please reach out. I'll continue to be out in our schools and community, and I hope you'll stop and talk with me when you see me. Hearing from our families and community helps us know what is working and where we can do better.

We've had a strong start. Now the challenge is to keep that momentum going. Thank you for supporting our students, our staff, and our schools. I'm looking forward to a great fall in Holden!
