HOMECOMING
Dance and Spirit Week

In the 2023-2024 school year at St. John Vianney High School, Vianney hosted a Homecoming dance with the overall theme of "Out of this World." Vianney held the spirit week prior to the homecoming dance on Saturday evening. Throughout the spirit week there were events such as dodgeball and the space carnival. On Pajama day, there was a cereal bar for the Griffins to get a sweet treat during SOAR period. Bomb pops were given out prior to the big game on Friday night. Vianney's Varsity Football team played against SLUH in the Don Heeb Stadium.

The students packed the stands to the brim with Griffins Cheering on their Fellow Classmates! The Griffins then lit up the dance floor, held in the Activity Center for the 2023-2024 annual Homecoming. The dance was out of this world, from an alien theme to cowboys. Homecoming was a great night to remember for sure.

NIGHT OF THE GRIFFIN AUCTION

Our 2024 Auction was a great success. We had a full crowd that was ready to bid. We had many parents, alumni, teachers, and other adults who came out to have a good time. Our most expensive item was a pair of Taylor Swift tickets for her concert out in London. These tickets sold for ten thousand dollars! These were won by an anonymous alumni bidder. The second most expensive win was the NFL experience package. This package was donated by Mark Lamping '76 for the auction and was won by the Foster family, class of '27 student. The package sold at $7100. The auction puppy, always one of the most popular prizes, was a little golden retreiver. The puppy was won by Steve Waterkotte '01, and his wife Breaja Waterkotte. Our grand prize winner for the scratch off was Bonnie Drury. She won a total of $1000 cash. Bonnie ended up donating a that 1000 back to the school. We thank her for her kindness! The night was supported by generous donations from local sponsors and hours of volunteer work from students. It was a great night to be a Griffin!

GRADUATION
Congrats Class of 2024!

On Saturday, May 11, 2024, parents, students, and Vianney faculty and staff gathered in the Field House to celebrate Vianney's 64th Commencement ceremony. With the lively notes of Pomp and Circumstance and the applause of hundreds of family and friends filling the atmosphere, the graduating class of 2024 processed into the Field House for the last time as students of Vianney. Griffin of the Year Andrew Wood welcomed the attendees before a prayer from Gavin McDonnell, followed by the recognition of special honors from Mrs. Sarah Becvar. Speeches from Valedictorian Turner Hunsaker, Principal Ian Mulligan, Andrew Wood, and President Rick Davis encouraged the seniors to remember their Vianney community and to make their mark on the world. In his speech, President Davis reflected on the significant accomplishments of the outgoing class, including: 98% of graduates plan to attend college, with 81% receiving scholarships totaling an estimated $12.5 million; 11 of our seniors earned prestigious Bright Flight Scholarships; as a student body, the 2024 class completed 4,779 hours and 10 minutes of service, the equivalent of 200 full days; and the seniors completed over 855 college credit courses across their four years. Principal Ian Mulligan used his speech to share with the graduates a quote from Fr. Oscar Vazquez, reminding them that the skills and gifts they've received from Vianney should extend beyond the classroom: "At Vianney, we teach a way of life. In other words, the scope of what you've learned here goes well beyond just academic excellence." Congratulations class of 2024; we wish you all the best!

JUNIOR UNITY MASS & DANCE

Swinging and Ringing

As the second semester comes to an end we are treated to the Junior Unity Mass and Dance! The Junior Unity Mass and Dance is one of the most important events for students at Vianney. It specifically targets the junior class as they are the ones participating. The name comes from the ring that you receive during the Mass. A few months before the Mass takes place, you are given a booklet and paper to help customize your own ring! This ring displays your connection to your brothers and the Vianney community. The Junior Unity Mass took place on March 21, 2024 at St. John Vianney. As the 2024-2025 school year approaches, the juniors are preparing to become seniors, which are the leaders of the high school. They are the role models and the ones the under class man look up to. These rings show their dedication to Vianney and their ability to represent the Marianist values. Soon after the Junior Unity Mass the dance swings around. On March 23, 2024 the dance begun. The dance took place at the Tawawingo National Golf Club. The students were served with many different foods inducing salad, pasta, chicken parmesan, pork tenderloin, etc. There were also brownies and several different desserts for the students. Shortly after the dinner, the juniors gathered on the dance floor with their dates and danced the night away. Here's to 2025!

VARSITY FOOTBALL

#TheGoldenStandard

This season held a lot of big accomplishments for the football team, such as collecting head coach Chris Starkey's first career win as coach of the Griffins, beating Parkway West week one of the season, starting the year off 2-0 for the first time in a long time, and much more! This was also the first time the football team won their opening game of the season since 2017! It was exciting to see the growth of all of the players this year, overcoming all sorts of adversity, such as the numerous injuries the team suffered. Things are changing in the football program for the better. Games are getting much more competative, with this year being the closest we've played an MCC team in years against Chaminade. You can aslo see change in the culture and attitude of the program. It seemed like no matter who, you always saw a football player excited and ready for a challenge. Sportsmanship was emphasized as a major value for the football team this year, and it showed. After the season ended, the team was presented with the IAFO Sportsmanship Award, which is given to the team with the best sportsmanship in the district. These are all big steps in the right direction, and it will be exciting to see what next year has in store for the football team.

JV FOOTBALL

A Fresh Start

The 2023 JV football Griffins were ready to come out with a vengeance! And this year there was something special: a record number of sophomores returning to play, plus 20 more freshmen from the class of 2027. Although they were young, they came out ready to fight. The first matchup of the season was against the powerhouse Seckman. The boys played them hard and close with a final of 12-40. This might not have been what the team wanted, but they came back even stronger vs Timberland. By the end of regulation the final was 52-8, which was a huge win for the freshman-heavy team. However, the guys were unable to steal one last victory after this. Although their record might not have shown it, this was a huge development for the Griffins football program. The team was able to play many close games with rival schools, which was not done in years past. The team was able to play Chaminade to 22-27, but couldn't close the gap. All in all, a great season for the JV football team and a bright sign of things to come.

VARSITY SOCCER

The Golden Griffins

The Vianney Varsity Soccer team had a great year against a handful of great teams and interesting games. At the start of the season, the Griffins won a game 5-0 against Bayless, giving them energy pushing into there next match. They had an unlucky loss against Summit on their turf, making them 1-1 so far during the season. They then played Glendale beating them 2-0 after getting beat by them last year in 2023 from a goal out of Jack Madden and Michael Lowe. They went to the St. Dominic Super Cup and the week after that the CBC tournament with a combined record of 3-2-1 for those two weeks of intense tournament match ups. They went on to play Chaminade at Chaminade, beating them 3-2 to put them at 1-0 in the MCC in regular season. They lost to De Smet in PKs going to thirteen rounds after beating them in the CBC tournament and getting a red card. They had a powerful win against a district opponent Lindbergh, beating them 3-0. The Griffins moved onto SLUH and lost to them 1-0 making them 1-2 in the regular season MCC. After losing to SLUH they had a fire in them and won the next nine games of their regular season. Some of those highlights consisted of beating Webster Groves 2-1 for Coach Brian Haddocks 400th win, beating CBC 1-0 in overtime with a goal from Ben Perkins, and having a great time on their Senior Night with a win of 5-0 over St. Mary's. They finished off their regular season with a 8-0 win over Capital City. Coming off nine wins in a row, the Griffins played Fox in their first round of districts and didn't have a problem with them, winning 5-0 and moving onto ten wins in a row! They had a battle against Kirkwood and ended up beating them 1-0 for eleven wins in a row. Unfortunately, their season ended after a loss to Lindbergh 4-3 during a hard-fought game that went to double overtime and PK's. Overall, they yet again achieved a winning record for the second year in a row.

JV SOCCER

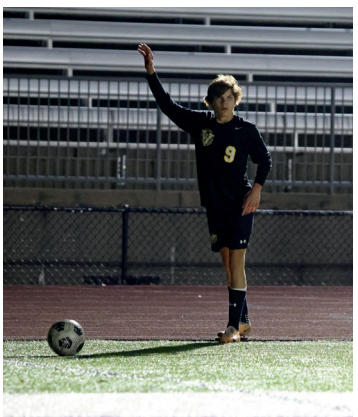

The JV Soccer team had a very good season, ending off with a 13-5-4 record to finish the season. They had a lot of talent and competitive games during this hard season. Some of those highlights consisted of the MCC matchups, the CBC tournament, and just overall competitive teams to face off against. They ended with a few games cancelled but still had a winning season. In the first ten games they only had two losses and were moving in a good direction. They played teams like CBC, Chaminade, SLUH, and St. Dominic. They were moving with pace and aggression towards a good season. After their first few games they had a couple losses but still stayed strong and moved onto win three games in a row agaisnt SLUH, Ladue, and Webster Groves. After those wins they lost two out of their next three games to CBC and Marquette, but managed to get another win over Webster Groves in those three games. They played two more regular season games against CBC and Oakville; they lost to CBC and tied Oakville. They then moved onto the CBC tournament and competed in a total of two games. They played SLUH and CBC again and ended up winning both of them with a 1-0 win over CBC and a 2-0 win over SLUH. To finish off the season beating two MCC schools is a great way to end it. To conclude, they had a great season with a lot of great highlights.

FRESHMAN SOCCER

The Griffins had a great season going 15-5-3 with a lot of battles for games. In four games they were 3-0-1. They started off their season by playing St. Dominic and winning that game by one goal. They moved to John Burroughs and won by five goals, destroying them. They then played CBC and tied them for the first time playing them. After CBC they played Summit and beat them 4-1, demolishing them. After that they lost two games in a row to Chaminade and SLUH. After the two losses in a row they won three games in a row. They tied Lafayette with a tough game with tough condtions. They lost their next game to Kirkwood, but after that they went on to win six games in a row. Some of those wins came from Lindbergh, Oakville, Ladue, Webster Groves, De smet, and SLUH. They completed their season well, with a couple wins and only a minimal amount of losses. As they winded down their season, they finished off with three wins out of the last five games. They had a lot of talent and a winning season. They only lost five out of their twenty-three games, which is impressive. They had a great season and they ended if off on a good note. They fought through a lot of games and finished it with a win over DeSmet. All in all, the Griffins had a winning season and finished it off on a bang.

CROSS COUNTRY
Striding Out for the Gold

The Cross Country team this year really stood out in everything that they accomplished. They demonstrated how to battle adversity; whether in harsh weather, over mud, or up a rocky trail, the Griffs came out on top. All of these efforts have brought much pride and enthusiasm to Coach Didier about the coming years of the program. The team has made many improvements from last year, averaging about 9th place in each meet that they attended. The Griffs also improved their record from last year in both the Marianist Meet and Districts.

As Coach Didier's second year in charge of the program, the improvements have been incredible, and he has loved the efforts of the team. 2023 was Coach Turmelle's first year as the assistant coach for the program, and it has been a great fit. Coach Didier had this to say about the year in retrospect: "The Team pushed their limits, chased their goals, and left everything on the course. I'm proud of the Vianney Cross Country Team's success and improvement year over year!"

SWIMMING

One more...

The Vianney swimming team of 2023 had the best team season Vianney has ever had! Placing 7th as a team overall in state, the Aqua Griffins soared high. Winning the first 4 dual meets in a row was a huge momentum swing for the Griffins, and they only lost 2 dual meets throughout the season, with a record of 7-2. Along with a great state finish to end the season, the team broke many school records, including:

200 yard Medley Relay: Set a new school record in finals with a time of 1:37.30 and placed 4th. (Swam by Andrew Wood-Back, Ashton Wells-Breast, Brayden Wells-Fly, Owen Dalpoas-Free).

400 yard freestyle Relay: Set a new school record in finals of 3.15.99 by Brayden Wells, Owen Dalpoas, Andrew Wood, Ashton Wells and placed 3rd.

50 yard freestyle school record: Set a new school record in finals by Brayden Wells with a time of 21.39 and placed 6th.

100 yard breastroke: school record in prelims by Ashton Wells with a time of 58.78 and placed 7th.

Head Coach Grace Burnsworth: "This year's team was the best swim team in Vianney history. From winning the MICDS Invitational to placing 7th at state, they were determined and hard-working. Watching Brayden and Ashton set new school records at state this year was incredible. I'm really proud of the team, their camaraderie, and their competitive spirit."

VARSITY BASKETBALL

Order on the court!

The Varsity Griffins basketball team started off their season with a strong 8 game win streak. They carried this momentum with them through the whole season, winning the Vianney tournament and the Rotating 8 Tournament. After having to play the toughest district in state, consisting of #4 Webster Groves and #3 St.Mary's, the Griffins made it to the final four, where they played Sikeston in the state quarter finals, a team ranked #1 in state all year. They finished the season placing third in the State Tournament, which is the best finish they have had in the history of the team! They ended the season with a record of 25-7, the second best they have had. At the player level, we also broke records, witnessing a stellar season from Luke Walsh. In the first game of the season, he scored 33 points to join the 1,000 point club, becoming the 13th player to do so at Vianney. Four games later he set the single game scoring record at 48 points. Then, late in the season he passed Tony Cochran in career points to now hold that record. As well as setting the highest scoring season by a Griffin, Luke was named MCC Player of the Year, was a Class 5 All State Selection, and named to the Class 5 Final Four First team. Eddie Smajic was named 1st team all MCC, Class 5 all-State and Class 5 all Final Four First Team. Symon Ghai was an Honorable Mention All Conference, Class 5 District 2 First team selection , and a Class 5 All Final Four First team. Through it all, the team benefited from the senior leadership of Teddy Ochs, Charlie Spoonhour, Nate Picha, Ashton Wells, and Owen Endermuhle. The team wishes them the best luck!

FRESHMAN BASKETBALL

A team above all. Above all, a team

This year we had two Freshman basketball teams that learned a lot this season. With the Freshman Lions, they had a great record with many wins and a few close losses. They have learned to grow and work together as a team and have overall gotten better at Basketball. The Freshman Eagles had a great turnout this year. Even though they had some rough patches in their season, they fought hard and pushed through it and came out on top in the end. They bonded as brothers through these hard-fought games and led the way to many victories. We expect to see amazing things from them next year as they grow closer to God and Christ and develop as players.

Our JV Team this year did a fantastic job with only 4 losses throughout the entire season. With 22 wins, the JV team dominated most of the schools they competed against. Their manager Peter Hogan was a big help in all of these wins. He gave all he had to the team, which showed true character, and through that character came the accomplishment of winning 22 hard-fought games. Our JV team is on the road to victory and we can't wait to see them next season as they grow, get stronger, and faster. Let them remember this moment and look back after high school and remember what it took to be great so that they become great men of character and accomplishment.

VARSITY WRESTLING

The Grappling Griffins

The 2023-2024 wrestling season will forever be known as a historic season for the program, as the Grappling Griffins, under the guidance of Coach Dan Didier and Coach Alex Borje, soared to unprecedented heights. Led by captains Owen Dalpoas '24 and Turner Hunsaker '24, the team embarked on a journey marked by resilience, determination, and remarkable achievements. "The guys put in tremendous effort to get to where they are today, and the team will only get better from here," remarked Coach Didier, reflecting on the stellar year: "Surpassing 200 varsity wins was a great accomplishment, sending 6 guys to state, three lower and three upper weights, placing 5th in districts, and winning multiple tournaments as a team." The season kicked off with a resounding victory against Rockwood Summit for the first time in the program's history, setting the tone for the season. Coach Didier reached a monumental milestone, securing his 200th duel win as head varsity wrestling coach in a triumph against Ladue. Throughout the season, the Griffins demonstrated their prowess in both duels and tournaments, securing numerous victories and garnering attention for their exceptional performance on the mat. Their dedication and hard work culminated in a remarkable feat, with six wrestlers - Daniel Feldmeier, Max Glueck, Logan Loporto, Owen Dalpoas, Turner Hunsaker, and Sam Berger - earning a coveted spot at the state tournament. "I was very impressed with how many guys we get on the team now, year in and year out," Coach Borje said, emphasizing the team's consistency and strength. He continued, "Having consistent numbers on the team has been great. We are a very solid duel team. It is fun going in there knowing we can compete with any team." The crowning moment of the season came when Owen Dalpoas secured a medal at the state tournament, clinching sixth place and becoming the program's first medalist since the 2020-2021 season. His achievement symbolized the team's unwavering determination and marked a significant milestone in the journey of the Grappling Griffins. Looking ahead, Coach Borje emphasized the importance of off-season training for the young team (only losing 3 varsity seniors), and set ambitious goals for the future, aiming for an undefeated record in duels and striving to send even more wrestlers to the state tournament. As the curtains closed on this historic season, the Grappling Griffins stood tall, their achievements serving as a testament to their indomitable spirit, relentless work ethic, and unwavering dedication to excellence. With their eyes set firmly on the future, the Grappling Griffins are poised to write the next chapter in their storied legacy, fueled by a determination to reach even greater heights in the seasons to come.

FRESHMAN/JV WRESTLING

A Season of Growth

"Building for the future was the mantra of the Vianney Freshman and JV Wrestling teams this season. "Despite being newcomers to the sport, they showed tremendous heart and dedication throughout the year," stated Coach Didier: "Their success was a testament to their hard work and the great numbers they brought to the program."

The Freshman team made strides in their development, learning valuable lessons about teamwork and perseverance along the way. Notable accomplishments include winning the MCC tournament and freshman Robert Eatherton's strong performance on the varsity team with a record of 26-9! Their contribution to the Vianney athletics program has been significant, laying a strong foundation for future success.

As for the JV team, they emerged as a powerhouse this year. Coach Didier proudly shared, "We win 50% of the matches with our JV team against any other varsity team." Their impressive performance speaks volumes about their dedication and skill. Their contribution to the program has been invaluable, setting a high standard for excellence.

Both teams have exemplified sportsmanship and dedication, serving as inspirations to their peers. Their achievements this year are a testament to their hard work and the support of their coaches and teammates. As the season comes to a close, the Vianney community looks forward to witnessing their continued growth and success in the years to come.

VARSITY HOCKEY
Missouri

Coming into this season, the Griffins were a team in the middle of finding their role. Last season the Griffins fell short in a heartbreaking 7-5 loss to heavy underdog Lindbergh in pool play of playoffs. The Griffins started out this season playing in the Marquette Pre-Season Tournament, winning the trophy for back-to-back years, which gave the team hope for a better season ahead. The first significant game of the season started off with The Battle of Kirkwood. Vianney came out on top, winning the first game of the season series 1-0. The season got off to a good start, and that is what they needed. January 1st 2024 brought us a key matchup in the Marinist Cup vs Chaminade. With the new year also came a devastating 3-2 loss to the Red Devils, which lost the 5 year streak of the Griffins taking home The Cup. With the season winding down and playoff tensions rising, people were looking down on the Griffins and putting them out of the question for playoffs. The Griffins landed a 7 seed for playoffs and were placed into an almost all-MCC division for playoff pool play. The Pool play games are listed below 1: 3-1 W v SLUH 2: 3-3 T v CBC 3: 4-2 W v Chaminade 4: 2-0 W v Pkwy South . The Griffins came out of pool play shocking St.Louis and reciving the 1st seed, knocking out Chaminade and CBC. The stage was set. The Griffins would play De Smet in the Semi-Finals. The Griffins tied the first game against the Spartans and put up a fight in the 2nd game but ultimately lost a hard fought battle. The Griffins lost 2-1 but fought till the end, ending a memorable season.

ILLINOIS VARSITY

Climbing the Ladder

The Illinois varsity team started off their season with a heavy match up against the majority junior and senior team, Belville. The Illinois team was compiled mainly of Freshman and Sophomores, with Ethan Riordan and Shane Ludwig being the seniors and team leaders. The Illinois team plays in the Mississippi Valley Club Hockey Association, largely based in Illinois. The team, which plays as our second-tier of varsity hockey, is a major stepping stone in transitioning underclassmen to varsity level hockey. This season the team played in the top division of the MVCHA, an amazing accomplishment for this young group. Because of this, the team knew they were going to have a challenge when playoffs came. Right before playoffs, the team had to play a daunting three game set on the road versus number one ranked Edwardsville. Unfortunately, the squad was not able to pull off any wins, but they were able to clutch a major tie and see what needed to be done before playoffs. When it was time for playoffs the team had one last chance to beat their rivals, Belleville! Sadly, they lost and their season came to a close. When asked about the season Captain Ethan Riordan said, "It was a great season with an amazing group of kids and it was an honor to be a part of the team." This group will be one you will want to be sure to watch out for in the coming years!

JV HOCKEY
Missouri and Illinois

The JV hockey season represented a lot of young talent and a bright future with a lot of potential. Among all three teams there are a lot of young guys with bright futures. We also see a lot of potential on the JV Eagles with players getting playing time on varsity and swinging up. The JV Eagles started the season with a rough start due to many new factors and a whole new lineup. Once they got their chemistry figured out, they went off with a bang and won 10 games, with 7 of those wins as a consecutive streak. The JV Eagles played so well that they ended up making playoffs, but got knocked out with a hard loss in the semi finals against Kirkwood and lost by 1. The JV Lions also had a phenomenal season, finishing 9-6-3 and also going to playoffs but unfortunately getting knocked out by Liberty in the first round by one point losing 3-4. Both JV Missouri teams had a great season and made playoffs. Illinois JV also had a great season with a lot of players improving drastically since the beginning of the season. Overall, all three teams had a great season and have a lot of potential and young talent.

RACQUETBALL

The 2023-2024 Vianney racquetball team had a great regular season and went on to do many great things in playoffs, winning many different awards and different tournaments. They would show up to every game this year with the best sportsmanship after every match that they had. Also they would give their best effort in each match that they performed in. The racquetball team this year was led by the seniors of the team John Chapman, Connor Greunke, and Andrew Wood. They would be the main leadership of the team this year. John Chapman, in his last state game, placed in the event and achieved 3rd place with a medal to show with his efforts for the year. Also getting medals were Joey Passini who left the state tournament as a champion, winning his first place medal at state! The team will only get better next year as the group is strong in the junior class with Noah Scott and Aaron Vandeven, who delivered many strong performances for the team this year. VARSITY BASEBALL

The 2023-2024 Varsity Baseball season was filled with ups and downs but had many memorable moments and impressive accomplishments. The Griffins showed huge perseverance throughout the season, not letting the little things get to them and continuing to get better each week. The team finished with a record of 18-17-1, and throughout the season several players distinguished themselves amongst their MCC peers. Nolan Jawarowski, Ryker Benz, Sean McConachie and Cole Adiar received MCC Second Team Honors; Chase Leathers and Derek Dankenbring received MCC First Team Honors; and Charlie Spoonhour was named MCC Pitcher of the Year! The season ended with a tough matchup against Lafeyette in game two of the Class 6 District 2 Tournament, but our baseball Griffins performed well on the field, both individually and as a team, and the future looks bright, particularly for the 6 seniors that committed to play college baseball! This is a testament to the skill and potential of these men of character and accomplishment, as well as the coaching staff that has been their guides. We wish these men good luck as they continue their baseball careers.

TRACK & FIELD

This year's track team was probably the best track team Vianney has had in a while. With over 70-plus athletes on this team this year, we competed at our best and were able to utilize a wide range of athletic talent, with many of our contestants bringing in their speed and agility skills from other sports. With this large crew of new runners and field athletes, we broke many school records, including: Tyrus Ivory III, Caden Pullam, Eke Henderson, and Kyle Hogan set a new varsity record in the 4x100 relay; Chase Bresler set a new varsity shot put record; and Tim Kester set new varsity records in Triple Jump and Long Jump. Indeed, Kester performed so well he qualified for state, where he placed second overall in the triple jump! In addition to these Varsity records, several freshman records were broken at the Freshman level, including: Kaya Anthony Farris, Swelin Aye, Noah Williams, and Eke Henderson set records in both the 4x100 and 4x200 relays. Finally, several of our Track & Field Griffins qualified for sectionals, including Tyrus Ivory III, Caden Pullam, Eke Henderson, and Kyle Hogan for our relay team, Tim Kester for triple and long jump, Jacob O'Hanlon for pole vault, and Chase Bresler for shot put.

Through it all, this large track team came together and bonded, building a culture of unity and success that we hope to see carry us to even greater heights!

VARSITY GOLF

Hit the links!

The Vianney golf squad had some tough shoes to fill after losing numerous seniors the past season. The boys started the season versus the power house from SLUH! After an unfortanate loss, the team was set to play in the Greg Bantle Tournament where they placed 8th overall. After a few close losses the guys began to turn up the heat as playoffs drew closer! The next match on the table was Priory! After an intense battle the guys came out on top with a four stroke lead! The team is led by senior Teddy Walbaum who is commited to play NCAA golf at Illinois College next semester. At the season's close, several members of the team achieved signicant state placements: Gavan Hagan shot 75 and 74 to place 21st, Trey Roessler shot 74 and 79 to place 42nd, and Jack Madden shot 85 and 86 to place 93rd. Congrats on an excellent season!

TENNIS
A Winning Team!

This year's Tennis season was one of highs and lows, but ultimately the 2024 Griffin Tennis team was one of the best in the team's history. In terms of lows, this year saw nine seniors graduating, key players that will be sorely missed moving forward. But with such a strong and seasoned roster going into the season, the team was able to achieve several notable highlights, including a 9-0 victory over Bayless for our Senior Night and our 1st win over Oakville in school history! The tennis team ultimately went 6-6 for its regular season, though several easy-to-win matches were rained out and unable to secure a reschedule. So despite the record itself, we like to say that, for the first time in 13 years, our Vianney Griffins achieved a winning season! The players are only growing stronger, and the future looks bright!

VARSITY LACROSSE

Varsity Lacrosse has been growing a lot in these past years, and this year was no different. This year, Vianney was full of young potential, with guidance from a few star senior players. Vianney Lacrosse had a rough season this year due to a hard schedule and a lot of young players still learning the fundamentals of the game of lacrosse. However, they were still able to pull through in a few games and get some key wins. Starting goalie Ethan Ramsey reflected on the season and had this to say: "Overall Vianney Lacrosse had a rough year but it was a good year because we all learned a lot and we have a lot of young potential that I see and we're growing which will help us in the upcoming years, in which I can see Vianney Lacrosse becoming a powerhouse." Despite the struggles and various injuries, lacrosse delivered a memorable season and has a lot of young talent that will help them in the years to come. Look out state!

Season highlights include: a double-overtime win over Rockwood Summit on Senior Night; Andrew Fendler, Owen Dill, and Shawn Soriano received 2nd Team All Conference Honors; and Ethan Ramsey and Jackson Masson were both named 1st Team All Conference in the MCC and 1st Team All State Class 1!

VARSITY VOLLEYBALL

Soaring High

This year's Varisty Volleyball team was one for the books, putting in the work under the direction of Head Coach Jillian Hoge to deliver one of the strongest seasons in Vianney's already-lauded Volleyball history, ultimately ending as the MCC champions and a strong third place finish at state!

Vianney Varsity volleyball started the season off with a strong senior led team by 11 seniors. This was the first year where boys high school volleyball was a MSHAA sport. After Coach Jeff Gabert stepped down from head coach, Jillian Hoge took the role, assisted by Tommy Vanderplum. Senior Ben Villhard, led the griffins to many victories and was a huge part of the success of this team, including breaking the Vianney assists record, ending with 1700! His ability to create an offense on and off of the net was huge and helped start the season with a hot streak of ten wins, beating talented teams such as SLUH and Lindbergh. The Griffins had their first loss tward the middle of the season against CBC in the Fort Zumwalt tournament semi final match. This year's fundraser match for the Higgins family was a huge success with a 3-2 win over SLUH @ home. After becoming the 2024 Class 1 District 2 champs, the season ended with a stellar sweep performance against St. Michael the Archangel to clench the third place title in the first-ever MSHSAA State Sponsored Tournament!

In addition to their success as a team, several players received additional honors: Evan Paule, Sam Dore, Ashton Wells, Brayden Wells, and Ben Villhard were named 1st Team All District; Aiden Stawizynski was named 2nd Team All District; Andrew Kellar received an Honorable Mention for All District; Ben Villhard was named MCC Player of the Year and a Post-Dispatch player to watch; Ben Villhard, Evan Paule, and Ashton Wells were named 1st Team All MCC; Brayden Wells and Aiden Stawizynski were named 2nd Team All MCC; Andrew Kellar and Sam Dore received an Honorable Mention All MCC; and Evan Paule was honored as a Post Dispatch athlete of the week April 26th! All in all, an incredible season for the Varsity Volleyball team. Congratulations, Griffins!

FALL PLAY *Clue*

For the 2023 Fall production, Vianney had the opportunity to perform the play Clue. This is one of Vianney's first plays in the newly renovated activity center. This a thrilling play based on the board game Clue. Clue is a musical with a book by Peter DePietro, music by Galen Blum, Wayne Barker and Vinnie Martucci, and lyrics by Tom Chiodo. The plot concerns a murder at a mansion, occupied by several suspects that is solved by a detective, while the ending is decided by the audience. Clue was a great hit for Vianney and had a great attendance rate on Friday and Saturday and got great reviews from the teachers and the students.

All the students involved in the play said it was a great performance. Sullivan French said "It was a great time, the cast's chemistry is what made it work so well. The whole cast has been working together for years and we have formed such a great relationship on and off stage. We all know how to work together to tell the best version of the story possible and that wouldn't have been possible if we weren't the family that we are." Overall, Clue was spectacular because of the chemistry of the cast; it felt like you were watching a movie because of how well they interacted with one and another.

HOOK'S TALE

Winter Cabaret Production

The Winter Production for Griffin Theater was *Hook's Tale* by John Pielmeier. With cabaret-style seating, guests could purchase beverages and food during the performance. The production starred seniors: Sullivan French as Captain Hook, Keaton Dawidowski as OS Voice and Junior: Lucas Hulsey as Smee.

The play recounts Captain Hook's life-story, telling about the friendships he makes along the way as well as the enemies. He tells of how he uncovered the hidden treasure of Neverland, discovered the identity of his long-lost father, and learned the importance of growing up and growing old.

SOMETHING ROTTEN
Spring Musical

The spring musical, *Something Rotten, w*ith its witty humor, songs and dances, takes place in 1595 London, England. The Bottom brothers, Nick and Nigel are trying to find success by writing plays, but are outshined by the rock-star playwright of the Renaissance, William Shakespeare. Desperate to find success, Nick gets help from a soothsayer for the next big hit, a musical. The play was directed by Al Book, musical direction under Matthew Sullivan, choreography by Sandy Book, with stage management by Ms. Sophie Kluba.

A huge thanks to all the seniors who were involved with Griffin Theater!

THE VIANNEY BAND

Lasso The Beats

Our Band program is a very successful program with many different instruments and many great musicians. This year was a memorable year for the Band program because we got to see and visit our good friends Brendon Ash and Luke Ledwon at the University of Dayton Ohio for our band trip. During the band trip we went and watched a Jazz show and later the University of Dayton play a baseball game. The Pep Band from the University of Dayton even decided to come to play with our concert band at Vianney, and it was a blast. We played amazing music with them and we were taught new things from their director and had fun. This year we also competed in State band as a whole for the first time and we did pretty good. The best rating we could have gotten was a 1, and we got a 2! For the first time playing in State, we performed well. We played many different and amazing pieces this year, like the Mandolorian, "Arabian Dances", "Pride and Celebration", and more. Some of these pieces were encouraged by the students; Brendon Wich suggested "Arabian Dances" while Riley Backer and Ryan Lodewyck highly recommended "The Mandalorian" theme. This year we had two people go to state for their solos and that was Andy Beckett who got a Gold rating on his piece, and Karl Deviliger, who got a Silver rating on his piece. We will miss the seniors as they are leaving this year, and we are going to tell you that the band won't ever be the same without you!

(Above: Left to Right) Rainbow 6 Team: James "Elifint.ve" Powers, Louie "Cosmic Ape" Berra, Oliver "Cardboard.VE" Unwin, Caleb "Alxcey" Dominguez, and Gavin "fairygodmommy" McDonnell.

The Esports team does more then just play video games; they are strategists and tacticians, and they put in countless hours of practice to refine their skill. Much like with any team sport, communication and the ability to work together goes a long way, proving that they can do much more.

This year, the Esports team had an incredible season, with the Overwatch team making its way to take 2nd for State, the Rainbow Six Siege team going to Nationals, and the Rocket League Team going all the way to winning state and becoming state champions!

Members: Luke Amling, Erik Anderson, Kyle Bardgett, Tyler Bauche, Louie Berra, Henry Bossert, Drew Brennell, Leavitt Coleman, Wade Coles, Easton Crouch, Keaton Dawidowski, Noah DeLargy, Caleb Dominguez, Parker Farrow, Aiden Frasher, Benjamin Heizer, Peter Hogan, Christopher Homza, Sam Kellmeyer, Jimmy King, Landon Knittel, Angelo Lancia, Matthew Lauter, Ryan Lodewyck, Gavin McDonnell, Alex Mitchell, Sam Payne, Keegan Pepple, Isaac Pilkenton, James Powers, Brady Rose, Pierson Schario, Chase Shepherd, Jacob Spranaitis, Ben Spruell, Andrew Tate, and Oliver Unwin. CAMPUS MINISTRY
Made for Greatness

Campus Ministry is one of the biggest aspects at St. John Vianney High school. The Campus Ministers include the director Grace Burnworth, Adam Pleimann, Jeremy Remiger, and Fr. Sean Downing. These faculty and staff organize many events for the Vianney students. One of the biggest is the juniors Social Service Project. The Social Service project is 60 hours of service, which can range from outdoor manual labor to working inside at a food pantry. Some other events that Campus Ministry holds include Friday Adoration, the Eucharistic procession, and the all-school masses. The Campus Ministers are always involved with the school's events. Each Campus Minister attends retreats and helps organize the reflections. This year, there were some new senior retreat opportunities! New events include: the Day of Reflection, which is similar to a Kairos retreat, the Pilgrimage retreat, in which students hike 9 miles together, and the silent retreat, which is several days of silence to help reflect on yourself and gain a closer relationship with God.

GRIFFIN LIFE

Campus Ministry + Student Life

Griffin LIFE's mission is the three F's: Faith, Fellowship, and Friends. They strive to make memories as a group, not only physically but also spiritually. Griffin LIFE is a great organization that takes kids and makes them more comfortable with the people around them. Whether talking about God or struggles going on in our daily lives, we comfort and find God to help us combat our struggles. Griffin LIFE is a great opportunity to make friends and have fun while strengthening your faith life. The Mission Of Life (Living In Faith Experience) is to build Christian communities, continuing the vision of Blessed William Joseph Chaminade. Griffin LIFE offers fun, faith, fellowship, friends, and food to students across all clubs, sports, and activities. We talk about God, personal struggles, and successes. We come together to discover how God can help us be a better man. One event the Griffin LIFE club goes to is the week-long Marianist retreat in Dayton Ohio. Our Griffin Life program also hosts Praise and Worship nights in our school chapel where anyone is welcome to attend. LIFE is an acronym for living in faith experience and was founded in 1970 by the Marianists. LIFE is active in about 40 institutions across 10 states. The mission of Marianist LIFE is to build Christian communities continuing the vision of blessed William Joseph Chaminade.
